Getting to Bergamo

By Plane

landing in Bergamo:

Several low-cost carriers land in Bergamo (Orio al Serio airport, - sometimes advertised as Milan-Orio al Serio, or Milan-BGY, <http://www.sacbo.it/Airpor/portalProcess.jsp?languageID=2>); from there you can take the airport bus to the city centre (it stops just in front of your hotel, 6 stops, ca. 20 minutes), or a short taxi ride (ca. € 15-20).

landing in Milan (in which case you will then need to take a train from Milano Centrale station):

1. From *Milano Malpensa* to Milano Centrale station:
 - a. bus: Malpensa Express or Malpensa Shuttle Air Pullman (Terminal 1; the same buses also call at Terminal 2): buy tickets from the driver standing by the door of the next bus to leave; buses leave every 20 mins from 6 to midnight every day for Milano Stazione Centrale (takes 50 mins; check that it goes to Centrale not to Cadorna station). Cost: ca. € 5.
 - b. taxi: quite expensive as the airport is some way out: around € 50/60.
2. From *Milano Linate* airport to Milano Centrale station: bus or taxi to Stazione Centrale (takes 20 mins)

By Train

Trains run every hour from Milano Centrale to Bergamo from 6.05 to 23.40; for more detailed information, see the timetable of the Italian Railway Company, <http://www.trenitalia.it/> - which has websites in English. Cost: € 5,5.

How to get from Bergamo train station to the Hotel

The hotel is 900 m from Bergamo railway station and can be easily reached on foot. Take Via Papa Giovanni XXIII (in front of the station), and after 900 m you will see the hotel on the right.

Alternatively, you can take the bus (#1, direction: Città Alta) in front of the railway station: it stops just in front of your hotel (4 stops, ca. 5 minutes).
