SERVIZI AMMINISTRATIVI GENERALI SELEZIONI E GESTIONE GIURIDICA

Attachment A to R.D. rep. no. 265/2017 of 16.05.2017

PhD in ENGINEERING AND APPLIED SCIENCES

Contact Professor: Professor Valerio Re

Curricula:

- Technologies for Energy and Environment
- Technologies for the conservation, protection, restoration and environmental sustainability
- Technologies for computer science, automation and electronics
- Applied mathematics and statistics

Duration	Positions	Positions covered by scholarships	Positions with no scholarship
3 years	9	7	2

Scholarships:

- No. 7 financed by the University

Positions without scholarship: 2

Modality of admission to the selection:

type B - assessment of qualifications and interview

Type of estimable qualifications:

Qualification assessments (up to 60 marks):

- academic career: up to 30 marks;
- research project: up to 20 marks;
- other qualifications, publications, letters of reference from Italian or foreign academics: up to 10 marks.

Interview (up to 30 marks):

The interview entails the discussion of the research project presented by the candidate to the purpose of assessing his capacity to convincingly discuss project preconditions and goals. The interview will also aim at assessing the candidate's attitude towards scientific research and his explanatory mastery in dealing with doctorate topics.

Linguistic competence: English language; the knowledge of the Italian language shall be evaluated for foreign candidates.

Interview date:

6 July 2017 at 9:00 hours (Italian time) in the classroom no. B 103 at the University headquarters in Viale Marconi no. 5, Dalmine (eventually continuing on 7 July, depending on the number of candidates participating to the interview).

The interview may be held in the English language and sustained by means of videoconference (Skype) for the candidates who, on proven grounds, are unable to attend the interview on the date fixed by the announcement (candidates who have been admitted to the interview following the assessment of their qualifications may avail themselves of such opportunity by sending a request via e-mail to the address selezionipersonale@unibg.it).
