Attachment A to RD rep. no. 225/2016 of 10.05.2016

PhD in ENGINEERING AND APPLIED SCIENCES

Coordinator: Professor Valerio Re

Curricula:

- *Technologies for energy and environment*
- *Technologies for the preservation, protection, salvage and environmental sustainability*
- *Technologies for information engineering and mechatronics*

Duration	Positions	Positions covered by scholarships	Positions with no scholarship
3 years	9	6	3

Scholarships:

- No. 6 financed by the Athenaeum

Positions without scholarship: 3

Modality of admission to the selection:

type B - assessment of qualifications and interview

Type of estimable qualifications:

Qualification assessments (up to 60 marks):

- academic career: up to 30 marks;
- research project: up to 20 marks;
- other qualifications, publications, letters of reference from italian or foreign academics: up to 10 marks.

Interview (up to 30 marks):

The interview entails the discussion of the research project presented by the candidate to the purpose of assessing his capacity to convincingly discuss project preconditions and goals. The interview will also aim at assessing the candidate's attitude towards scientific research and his explanatory mastery in dealing with doctorate topics. The interview shall ascertain the candidate's knowledge of the English language.

Linguistic competence: English language.

Interview date:

29 June 2016 at 9:00 hours at the University headquarters in Viale Marconi no. 5, Dalmine (eventually continuing on 30 June, depending on the number of candidates participating to the interview).

The interview may be held in the English language and sustained by means of videoconference (Skype) for the candidates who, on proven grounds, are unable to attend the interview on the date fixed by the announcement (candidates who have been admitted to the interview following the assessment of their qualifications may avail themselves of such opportunity by sending a request via e-mail to the address selezionipersonale@unibg.it).
