➤ **DEPARTMENT OF ENGINEERING AND APPLIED SCIENCES**

SELECTION CODE: 5

Vacancies: no. 1

Group of academic recruitment fields: 09/C –Energy, thermomechanical and nuclear engineering

Academic recruitment field: 09/C1 – Fluid machinery, energy systems and power generation

Academic discipline: ING-IND/09 – Energy systems and power generation

Elements of didactic and scientific qualification:

- **Didactic qualification:** Applicants must demonstrate the credentials required for teaching the courses of the ING-IND/09 – Energy Systems sector. According to the needs of the Department, a wide teaching experience is required in the fields of energy conversion systems, fed by fossil and alternative fuels, for heating, cooling and power generation, whatever the size. Applicants should know design and off design behavior, as well as regulation and control strategy of main components belonging to different power plant topologies (Rankine, Joule Bryton and combined cycle, IGCC and ORC) such as boiler/combustor, gas turbine, steam turbine, air/water cooled condenser, heat recovery steam generator, compression/absorption chiller, heat exchangers, feedwater heaters and auxiliary system.
- **Scientific qualification:** Applicants must have a demonstrated record of scientific research accomplishments at a high international level, specifically concerning the fields of energy systems, spanning from modelling and optimization of conventional (Rankine, Joule Brighton and combined cycles) and advanced (Waste-to-Energy, Concentrating Solar

Power) power plants for heating, cooling and power generation, to thermo-fluid dynamic analysis of specific power plant components, such as combustors and gas turbines. Concerning the first topic, applicants should be able to assess and maximize thermodynamic performance of complex energy systems by means of commercial and home-made software tools. As far as the second topic is concerned, specific theoretical competencies and CFD modelling skills are required to model combustion of fossil and alternative fuels, as well as aero-thermal aspects in turbine stator/rotor cascades with film cooling. The knowledge of CFD modelling should cover not only the widespread adiabatic, steady approach but also the Conjugate Heat Transfer method and the Scale-Resolving Simulation techniques, for turbulent flow predictions.

Specific functions required:

- **Didactic commitment:** The teaching tasks will be relevant to courses belonging to the ING-IND/09 – Energy systems sector, specifically in the fields of conventional and advanced power plants for heating, cooling and power generation, fed by fossil and alternative fuels. Teaching should promote active learning of design and off design modelling techniques to be applied to complex energy systems and power plant components, in order to optimize overall performance.
- **Scientific commitment:** The research work will deal with modelling and optimization of complex energy systems based on conventional and advanced solutions, including recent developments in power generation, by means of commercial and home-made software tools. Furthermore, the research activity will focus on theoretical investigation and advanced CFD modelling (Scale-Resolving Simulation techniques) of thermo-fluid dynamic aspects in specific power plant components, such as combustors fed by fossil and alternative fuels and turbine stator/rotor cascades with film cooling.

Requirements for attending the selection

The following subjects will be admitted to the selection procedure:

- a) candidates who achieved a national scientific habilitation, in compliance with s. 16 of Law 240/2010 for the same examination sector or otherwise one of the examination sectors comprised in the same academic field and for the purpose of the procedure functions, or for higher functions provided they are not yet in possession of the same higher functions;
- b) candidates who achieved a II level university professor habilitation, in accordance with Law no. 210/1998, limited to the validity period of the latter;
- c) professors in service at other Athenaeums at the same level of the announced selection;
- d) scholars permanently engaged abroad in university research or teaching activities having equal level as the one required by the announcement, based on the correlation tables defined by the Ministry (D.M. no. 236 of 2.5.2011).

The following subject will not be admitted to the selection procedure:

- those who are excluded from enjoying civil and political rights;
- those who were removed or discharged from office by any Public Body for insufficient yield, or were dismissed from any other public engagement, in accordance with s. 127 para d) of D.P.R. 10.1.1957, no. 3;
- candidates having any relationship or kinship, up to and including three times removed relatives, either with a professor belonging to the Department issuing the call or with the Rector, the Director General and any member of the Board of Directors at the Athenaeum.

The requirements needed to obtain admission must be owned up to the deadline of the application submission period. This Administration guarantees parity and equal opportunities to both men and women for access and treatment on the job.

Section 3

Disqualification from selection

The following reasons cause disqualification:

- failure to sign the application form;
- deficiency of admission requirements as per s. 2;

UNIVERSITÀ DEGLI STUDI DI BERGAMO

SERVIZI AMMINISTRATIVI GENERALI SELEZIONI E GESTIONE GIURIDICA

- failure to submit the application and the publications within the established deadline;
- sending a number of publications higher than the requested number.

The candidates may be admitted subject to verification in case of supplementary investigation requirements; in this case, they are asked to regularize their application within the terms peremptorily assigned.

The Administration may arrange, at any moment, the exclusion of candidates lacking one of the requirements needed for this announcement; the exclusion will be declared by rectoral decree and delivered to the person concerned by registered mail with return receipt or equivalent.

Section 4

Application procedure and submission deadline

In order to take part to the selection procedure, the candidate must present an application on unstamped paper according to the scheme attached to this announcement within the peremptory time limit of 30 days, starting from the day following the publication of the notice regarding this announcement in the Gazzetta Ufficiale. In case such date falls on a public holiday, the due date is postponed to the first working day thereafter.

The application, duly signed, must be addressed to the Rector in a sealed envelope and delivered in one of the following ways:

- delivery by hand at the office of Direzione e Affari Generali (Direction General Affairs) in via dei Caniana, no. 2 (1st floor) during the following days and hours: Monday to Friday from 9 to 12 am;
- delivery by registered mail with signed return receipt or equivalent sent to the Università degli Studi di Bergamo - Unità organizzativa Selezioni e gestione giuridica (O.U. Selections and Legal Management) - Via dei Caniana, no. 2, 24127 Bergamo;
- delivery by means of certified electronic mail (PEC) to the address protocollo@unibg.legalmail.it, sending -in Pdf format- the application and all related attachments along with an identification document (quoting "*Application for II level professor selection procedure*" in the subject, indicating the selection code, the examination sector, the scientific discipline sector and the candidate's name). The application must originate from another PEC address, exclusively. It should be noted that the transmission of the certified electronic mail message is documented by the receipt of acceptance and the receipt of occurred delivery coming from the mail provider, as provided by s. 6 of D.P.R. 11.02.2005, no. 68 (the system allows the exchange of messages having a total maximum size of 100 MB; it is possible to send or receive messages with attachments up to 70 MB in size).

In order to abide by the deadline, the following will attest reception: the entry protocol number for applications delivered by hand, the post office date-stamp in case of applications sent by return mail and the message's forwarding date for applications sent by PEC electronic mail.

The applications will not be considered if sent beyond the deadline established by this announcement, or if sent by means of non-certified electronic mail addresses or, anyway, in case of doubts existing about the identity of the sender who forwarded the application by PEC e-mail.

The wording "*Application for II level professor selection procedure*" followed by the indication of the selection code, the examination sector, the scientific discipline sector and the candidate's name must be written on the envelope containing the application and on all related attachments and publications.

Section 5

Application form

In the application form, to be completed using the sample form attached to this announcement (cf. Annex A), which is also available at the web address <http://www.unibg.it> under the *Concorsi e selezioni (Announcements & Selections)* section, the candidate must declare his first and last names, date and place of birth, tax code and address of residence; a mailing address, elected for the purpose of the application must also be mentioned, along with a phone contact and an electronic mail address, eventually PEC.

missed or late notice of changes in the mailing address mentioned in the application. Furthermore, the Administration cannot be held responsible for missed or late deliveries of notices related to the selection on grounds that are not attributable to the Administration itself, such as post or telegraph mishandlings, third-party faulty behaviour, fortuitous or force majeure events

The Administration reserves the right to proceed with suitable checks on the veracity of the contents shown in sworn declarations, as ruled by D.P.R. 445/2000.

We inform you that, as of 1st January 2012 in accordance with the dispositions of Law 183/2011, it is forbidden for public bodies and for public service overseers to request the exhibition or the submission of certificates issued by other public bodies in matters of personal status, features and facts. Therefore, the Athenaeum may not accept, nor request, any certificate in replacement of sworn declarations and affidavits, which must be submitted in substitution of such certificates (sample forms are available in Annexes C and D of this announcement).

The certificates issued by the bodies in charge of the foreign applicant's Country must be compliant with current regulations of that Country and, also, must be sworn before and certified by the Italian consulate in charge.

A translation into Italian must be attached to acts and documentation that are issued in foreign languages, after certification by an Italian diplomatic or consular delegation.

Making reference to documents or publications previously surrendered to this or to other administrations or making reference to any documentation attached to applications for other selections is not allowed.

Section 6

Publications

The scientific publications that the candidate wishes to enforce, for this purposes of the comparative procedure, numbered in progressive order in accordance with the related list (c.f. annex B), must be sent along with the application within the peremptory deadline fixed by s. 4. The candidate must specify which publications shown in the *curriculum vitae* should be considered by the Commission for the purposes of the procedure, not exceeding the maximum number established by the announcement.

Any work published after 1.1.1990 must be compulsorily produced in electronic format (PDF format on a non-modifiable CD-ROM followed by a declaration stating that the contents are a certified copy of the originals - c.f. annex D) or else, unless the candidate declares proven impossibility, it will be possible to submit the original work or a copy of it (certified by means of a sworn declaration as per current laws).

The publication list must match the publications supplied to the purposes of the procedure.

Only publications and texts that are accepted for publication in accordance with current Laws are considered appreciable, as well as essays included in collectanea and articles issued in journals, either printed or in electronic form, with the exception of internal notes and departmental reports.

The date and place of publication or, alternatively, an ISBN code or equivalent must appear for works printed abroad.

All works printed in Italy up to 1st September 2006 must meet the requirements provided by the Royal Lieutenant Legislative Decree of 31 August 1945 no. 660; as of 2nd September 2006 the requirements of Law 106/2006 and of D.P.R. 252/2006 must be met. The fulfilling of the above obligations must be certified by suitable documentation attached to the list of publications or by a sworn declaration issued by the candidate under his own responsibility as ruled by D.P.R. no. 445/2000.

Publications must be submitted in their original language form and translated into one of the following languages: Italian, English, French, German or Spanish. The translated texts can be supplied in typewritten form along with the printed text in the original language.

Section 7

Commission of Evaluation

For each vacancy offered by the contest, within two months from the deadline fixed for the submission of applications, the Rector appoints the Commission of Evaluation upon designation of the pertinent Department Council.

The composition of the Commission is made official when published on the website of the Athenaeum of the rectoral decree designating the Commission. Candidates may elect to decline any of the commissioners within ten days from the date of publication.

The Commission is formed by three to five I level full professors or equivalent role belonging to the same examination sector or academic field. The majority of the Commission components must be formed by subjects that are external to the Università degli Studi di Bergamo, to be found among lecturers with proven national and/or international recognition or having scientific prestige, belonging to other Italian or foreign Athenaeums. The determination of the actual number of commissioners is left to the independent decision of the advocating Department, depending on the specificity of the discipline.

The designation of professors coming from foreign universities is subject to the Department Council's attestation in terms of qualification equivalence to the Italian academic rank for professors and the activity of the chosen must be attributable to the examination sector of the procedure.

The Commission elects a President and a Secretary among its Members.

The Commission operates in a collegial way, acquiring its own absolute majority decisions and may avail itself of telecommunication devices.

Professors who received a negative appraisal may not be part of the Commission, as provided by s. 6, para 7 of Law no. 240/2010.

Professors engaged in habilitation Commissions are excluded as per s. 16, para 3 letter l), of Law 240/2010, as well as anyone else being incompatible with the designation as provided by current Laws.

Section 8

Selective procedure processing method

The Commission, upon its first assembly, after each member has declared the lack of incompatibility causes for his nomination and the lack of any conflicts of interest thereabout, foreordains the evaluation criteria for each *curriculum vitae*, scientific publications and research and teaching activities.

Such criteria shall have to be established in respect of internationally renowned quality standards, taking into account the guidelines established by D.M. 4.8.2011, no. 344 as well as any teaching and scientific qualification elements required by the Department and considered to be necessary for covering the position.

The Commission may attend its first assembly using telecommunication devices after notification received by the Rector.

The adopted criteria will be rendered public by publishing them on the website's special section "*Concorsi e selezioni*" (Announcements and contests); after that, the Commission may proceed with its work.

The Commission states a motivated judgement on the *curriculum vitae*, on the scientific publications and on the teaching and research activity of each candidate; should there be a multiplicity of candidates, the evaluation procedure shall be executed with modalities that guarantee their comparison.

The Commission, at the end of their work, formulates a merit ranking and indicates the winner following the decision reached by the majority of the members, by selecting the best-qualified candidate qualified for the teaching and the scientific functions recalled by the announcement.

Section 9

Works of the Commission

The Commission completes its works within four months since the Rector's decree of appointment.

The Rector may extend, only once and for not more than two months, the deadline for the completion of the selection on the grounds of proven reasons pointed out by the President of the Commission.

UNIVERSITÀ DEGLI STUDI DI BERGAMO

SERVIZI AMMINISTRATIVI GENERALI

SELEZIONI E GESTIONE GIURIDICA

If, after the deadline, the resulting acts are not produced, the Rector will proceed to dismiss the Commission and will nominate a new one in replacement.

Section 10

Verification of act regularity

The acts surrendered by the Commission are approved with rectoral decree within thirty days from delivery to the office in charge.

Should the Rector observe any irregularity in the acts relating to the procedure, he will return them to the Commission with a motivated provision, fixing a deadline for supplementary investigation.

The acts, that is the final recapitulatory report of the works and the collegial judgements will be published on the Athenaeum's website.

Section 11

Call of the selected candidate

Once the procedure is complete, the Department Council proposes the selected candidate's call within 60 days from act approval.

The Department's proposal resolution is adopted according to the methods described in s. 12, paras 2, 3 and 4 of Athenaeum Regulations, ruling procedures for the call of I and II level professors in compliance with the provisions of Law 240/2010.

Section 12

Statutory rights, duties, compensation and welfare treatment

The statutory rights and duties of the professor are those provided by current law in terms of teaching staff legal status, and those contained in the current Ethic Code.

The professor is required to observe the provisions of the University regulations in force as regards the research integrity and ethics.

Compensation and welfare treatment are the ones owed to II level professors as provided by the laws regulating this subject.

Section 13

Handling of personal data

The data supplied by the candidates with their application will be collected by the University offices in charge and treated exclusively for the purposes of this procedure, as ruled by the Legislative 30 June 2003, no.196 "Code in terms of personal data protection".

Section 14

Return of documents and publications

The return of publications deposited at the *U.O. Selezioni e gestione giuridica* (O.U. Selections and Legal Matters), Via Dei Caniana, 2 - 24127 Bergamo will take place, upon candidate's request, after the terms for contingent rights of appeal have elapsed, except for cases where controversies are in place.

The candidate (or any other subject holding his mandate) may arrange, by appointment, the collection of publications at the appointed offices of this Administration.

After six months from rectoral decree approving the procedure's acts, this Administration will no longer be responsible for the conservation or restitution of the documents deposited at its offices.

The publications belonging to the selected winners will be deposited at our *Dipartimento di afferenza* (Pertainment Department).
