HEREBY DECREES

Section 1

Announcement of the selection procedure

The public selection procedure is released for the recruitment of no. 1 fixed-term researcher position at the Università degli Studi di Bergamo, in compliance with s. 24, para 3, letter a) of Law no. 240/2010 and with current Athenaeum's Regulations on that matter:

➤ DEPARTMENT OF FOREIGN LANGUAGES, LITERATURES AND CULTURES

Positions: no. 1

Group of academic recruitment field: 14/B - Political history

Academic recruitment field: 14/B2 - History of international relations and of non-european societies and institutions

Academic discipline: SPS/14 - Asian history and institutions

Research program: The research activity will concentrate on the study of the political and social evolution of South Asia during the era of British Raj (1858-1947), with a particular focus on the exploitation by the colonial power of Indian laborers in other contexts within the British Empire. The researcher will collect and analyze archive material in India as well as in the other countries where Indian laborers were employed in the above-mentioned period, notably Ceylon, Burma and Malaya. The research will first concentrate on the material available in archives in India about the recruitment of labor intended for other British colonies in Asia (including Burma although it was administered as part of India until 1937). There will be a special focus on the analysis of the contexts of origin of the laborers, on the ways of recruitment and on the dynamics introduced in these regions by massive migration. A deep knowledge of these contexts and particularly of the historical dynamics and evolution of social relations among different social groups is required. The centrality of the caste system in colonial Indian society entails a deep preliminary analysis of the different contexts of origin of the laborers. Knowledge of the social and political environment of the regions where Indian workers were employed is also required. The main focus of the research will be the study of the political, economic and social dynamics created by the settlement of a significant number of Indian migrant laborers in the societies of these Asian countries. Analyzing archive materials available locally the researcher will draw attention to the history of Indian communities in the above-mentioned countries with a particular focus on the creation of trade unions, political and social movements and the activation of new dynamics in the environments within the Indian diaspora, which is usually marked by supposedly rigid social ties and cultural structures.

The research will extend study perspectives on Indian communities abroad through the analysis of influences of political organizations of the Indian diaspora on migrant communities and on the contribution of trade unions, political organizations and social movements created by Indians to the history of the other Asian countries.

Didactic activities provided for by the contract, including integrative and service didactics to students, and research activity characteristics: The annual workload for official courses (60 hours) and extra teaching activities is up to 120 hours; the remaining 230 hours will be 21 devoted to educational services to students. The teaching and educational activities will be approved by the Department of Foreign Languages, Literatures and Cultures of Bergamo University within the yearly planning of the teaching activities of the Department.

Commitment: full time

Place of employment: Bergamo

Maximum number of publications: 12

Language Expertise Scrutiny: English language.

SERVIZI AMMINISTRATIVI GENERALI SELEZIONI E GESTIONE GIURIDICA

Making reference to documents or publications previously surrendered to this or to other administrations or making reference to any documentation attached to applications for other selections is not allowed.

Section 6

Publications

The scientific publications that the candidate wishes to enforce to the purposes of the comparative procedure, numbered in progressive order in accordance with the related list (cf. annex B), must be sent along with the application within the peremptory deadline fixed by s. 4. The candidate must specify which publications shown in the *curriculum vitae* should be considered by the Commission for the purposes of the procedure, not exceeding the maximum number established by the announcement.

The candidate may produce his works in electronic format (PDF format on a non-modifiable CD-ROM followed by a declaration stating that the contents are a certified copy of the originals - cf. annex D) or, alternatively, the original or a certified copy accompanied by a sworn declaration as per s.47 of D.P.R. 445/2000 (cf. annex D).

The publication list must match the publications supplied to the purposes of the procedure.

Only publications and texts that are accepted for publication in accordance with current Laws are considered appreciable, as well as essays included in collectanea and articles issued in journals, either printed or in electronic form, with the exception of internal notes and departmental reports.

The date and place of publication or, alternatively, an ISBN code or equivalent must appear for works printed abroad. All works printed in Italy up to 1st September 2006 must meet the requirements provided by the Royal Lieutenant Legislative Decree of 31 August 1945 no. 660; as of 2nd September 2006 the requirements of Law 106/2006 and of D.P.R. 252/2006 must be met. The fulfilling of the above obligations must be certified by suitable documentation attached to the list of publications or by a sworn declaration issued by the candidate under his own responsibility as ruled by D.P.R. no. 445/2000.

Publications must be submitted in their original language form and translated into one of the following languages: Italian, English, French, German or Spanish. The translated texts can be supplied in typewritten form along with the printed text in the original language. For comparative evaluation procedures referring to linguistic subjects, the submission of publications will be accepted in the original language or in one of the languages for which the announcement is made, even if different from those shown in the preceding paragraph.

Section 7

Commission of Evaluation

For each selective procedure, by rectoral decree, based on the proposal submitted by the department requesting contract activation, a Commission of Evaluation is nominated, formed by three members chosen among I and II level professors, two of which must come from another Italian or foreign University belonging to the same examination sector or to scientific-discipline sectors like the one in the subject of the selection. In case of motivated necessity, the commissioners may belong to similar scientific-discipline sectors according to current Laws.

The composition of the Commission is made official when published on the website of the Athenaeum of the rectoral decree designating the Commission. Candidates may elect to decline any of the commissioners within 10 days from the date of publication.

The designation of professors coming from foreign universities is subject to the Department Council's attestation in terms of qualification equivalence to the Italian academic rank for professors and the activity of the chosen must be attributable to the academic recruitment field of the procedure.

The Commission elects a President and a Secretary among its Members.

The Commission operates in a collegial way, acquiring its own absolute majority decisions, and may avail itself of telecommunication devices.

Section 8

Selective procedure processing method

The selective procedure provides for a preliminary evaluation of the candidates, with motivated analytical judgement on qualification, curriculum and scientific production, thereby including PHD thesis, according to internationally appreciated criteria and parameters, as specified by D.M no. 243 of 25.05.2011 and accepted by the judging Commission as per its s. 7.

The Commission, upon first meeting, defines in detail the criteria to be used for preliminary evaluations and for the attribution of scores to qualifications and to each of the publications presented by the candidates that are selected for public debate, still considering and honouring the parameters mentioned by the cited D.M. no. 243 of 25.05.2011.

Following preliminary evaluations, the candidates resulting comparatively worthier are admitted to public debate of their qualification and scientific production, according to the percentage of 20 per cent of the total number of candidates and, in any case, not lower than six. Should the total number of candidates be equal to or lower than six, all of these will be admitted to public debate, during which the knowledge of a foreign language will also be assessed.

After the debate, a merit score is assigned to the qualification and to each of the publications presented by each admitted candidate; the winner will be identified based on the highest score reached.

The summoning to public debate of qualifications and scientific production will occur by means of telegram or registered mail with return receipt, with an advance notice of at least 20 days.

In order to withstand the debate, the candidates must hold a suitable and valid identification document.

The absence in the discussion must be considered as a waiver of competition for all purposes.

The Commission will produce and all its members will sign a special minute for each session, inclusive of attachments.

The Commission's deeds constituted by session reports, will be approved by rectoral decree, later transmitted to the competent department to the purpose of the call proposal.

Section 9

Works of the Commission

The Commission must complete its works within three months since the Rector's decree of appointment. The Rector may extend, only once and for not more than one month, the deadline for the completion of the selection on the grounds of proven reasons pointed out by the President of the Commission. If, after the deadline, the resulting deeds are not produced, the Rector will proceed to dismiss the Commission and will nominate a new one in replacement.

Section 10

Verification of deed regularity

The acts surrendered by the Commission are approved with rectoral decree within thirty days from delivery to the office in charge.

Should the Rector observe any irregularity in the deeds related to the procedure, he will return them to the Commission with a motivated provision, fixing a deadline for supplementary investigation.

The deeds, that is the final recapitulatory report of the works and the collegial judgements will be published on the Athenaeum's website.

Section 11

Call of the selected candidate

Once the procedure is complete, the Department Council proposes the selected candidate's call within 60 days from deed approval.

The Department's proposal resolution is adopted according to the methods described in s. 12, paras 2 and 3 of Athenaeum Regulations, ruling comparative evaluation procedures for the call of fixed-term researchers in compliance with the provisions of s. 24 of Law 240/2010.

UNIVERSITÀ DEGLI STUDI DI BERGAMO

SERVIZI AMMINISTRATIVI GENERALI SELEZIONI E GESTIONE GIURIDICA

Section 12

Scope and duration of the contract

The winner stipulates a fixed-term contract of employment ruled by current legislation, also in terms of compensation, social security and welfare.

Furthermore, the University will provide insurance coverage as expressly provided for by the Law.

The compensation is equal to the initial sums appertaining to full-time confirmed researchers (gross yearly salary of Euro 34,898.06, including 13th month pay).

The contract is for three years renewable for two years for a one-time after the successful evaluation of the teaching and research activities, on the basis of methods, criteria and parameters defined by the Italian D.M. No. 242 dated 24 May 2011.

The social security and pension scheme is granted to the researcher on the basis of current legislation for fixed-term employment; he is granted whatever provided for by D.Lgs no. 151/2001 in matter of tutelage and assistance to maternity and paternity of Law 104/1992; in matter of assistance, social integration and rights of disabled people as per ss. 3, 40 and 68 of D.P.R. no. 3/57 as modified; in matter of extraordinary leave of absence and infirmity leaves. Infirmity leaves may not exceed a time length of 12 months.

A 6-months probation period is applied; the deliberating collegial body of the pertinent structure is competent for its positive or negative evaluation; the probation period cannot be renewed or extended upon expiry.

During the probation period, each party may terminate the contract giving reasons at any moment and without commitment to any advance notice.

In case of early contract termination, the researcher is required to give a 30 days advance notice. The redundancy period may start on the first or the 16th day of each month. In case no advance notice is given, the Administration has the right to withhold an amount corresponding to the employee's compensation for such lacking period.

Section 13

Work relationship

For the purposes of financial reporting of research projects, the figurative quantification of annual research, study, and teaching activities, with the related preparatory, verification, and organizational tasks, is equal to 1,500 hours for full-time researchers and 750 hours for part-time researchers. The total annual commitment for the conduct of educational activities, supplementary teaching, and service to students is 350 hours for full-time basis.

The fixed-term researcher:

- carries out a scientific research activity within the sector identified by his profile;
- carries out didactical activities, honouring current legislation and Athenaeum Regulations, in accordance with the resolutions of competent Bodies;
- takes part to Commissions for the verification of students' advancement and final test for the achievement of educational qualifications released by the University, also providing aid in the development of theses;
- carries out student tutoring and guidance tasks to the purpose of organize the plan of studies, establishing a reception calendar;
- may assume responsibility functions in research projects according to and in respect of current Laws;
- takes part to Departmental activities and to didactic Commission meetings based on the modalities disciplined by specific Regulations.

The self-certification of educational activity, integrative didactics and services to students occurs by filling out the register of lessons (for upfront educational activities) and any other register (for all other activities related to didactics).

Disciplinary competence is ruled by s. 10 of Law 240/2010 and from s. 32 of the Statute.

Section 14

Incompatibility regime and multiple assignments

Fixed-term researcher contracts are not compatible with:

- any other employment entertained with any public or private subject;
- ownership of research grants, even if at other Universities;

UNIVERSITÀ DEGLI STUDI DI BERGAMO

SERVIZI AMMINISTRATIVI GENERALI SELEZIONI E GESTIONE GIURIDICA

- ownership of didactic contracts disciplined on the matter by current legislation;
- doctoral or postdoctoral fellowships;
- any fellowship or grant, in general, bestowed on any grounds.

Researchers are allowed to carry out extra-work assignments, subject to authorization requests to be filed with Rector, as per Athenaeum Regulations provisions in terms of releasing authorizations for the bestowal of paid assignments to full-time professors and researchers.

Fixed-term researcher contracts do not give rise to any right in terms of access to academic roles.

Employees of Public Administrations, over the entire duration period of the contract pertaining to this announcement, are put on leave, without grants nor social security coverage or, otherwise, in untenured position, where such position is considered possible by membership regulations.

Section 15 Evaluation and Contract Extension

The evaluation of teaching and research activities carried out by holders of contracts takes place according to the criteria and parameters established by art. 2 of the Italian D.M. No. 242 dated 24 May 2011 and is a prerequisite for the possible extension of the contract.

Within the resources available for planning, the Organisation that made the proposal to call the owner of this agreement may, with the consent of the candidate, propose the extension of the contract during the six months prior to its expiry for only once and for only two years, justifying it with reference to teaching and research needs.

The extension proposal shall be submitted to the Board of Directors for approval after consultation with the University Senate.

Section 16 Handling of personal data

The data supplied by the candidates through their application will be collected by the University offices in charge and treated exclusively for the purposes of this procedure, as ruled by the Legislative 30 June 2003, no.196 "Code in terms of personal data protection".

Section 17 Return of documents and publications

The return of publications deposited at the U.O. Selezioni e Gestione giuridica (O.U. Selections and Legal Matters), Via Dei Caniana, 2 - 24127 Bergamo will take place, upon candidate's request, after the terms for contingent rights of appeal have elapsed, except for cases where controversies are in place.

The candidate (or any other subject holding his mandate) may arrange, by appointment, the collection of publications at the appointed offices of this Administration.

After six months from rectoral decree approving the procedure's acts, this Administration will no longer be responsible for the conservation or restitution of the documents deposited at its offices.

The publications belonging to the selected winners will be deposited at our Pertainment Department.
