Establishment of the employment relationship

The winning applicant, possessing the prescribed requirements, shall enter into an autonomous work contract in accordance with private law with the Rector to last for 12 months usually starting on the first day of the first month of the fellowship.

Without prejudice to the complete fulfilment of their obligations, research fellows may undertake university teaching assignments, official or integrative, granted by means of contract, pursuant to the University Regulations governing Professors under contract at the University of Bergamo **for a maximum of 6 UFC (University Formative Credits)** subject to authorization of the pertinent Department's Board.

Without prejudice to full performance of their duties, research fellows may ask, as an exception, to perform external assignments, subject to authorization of the Department's Board, provided that the assignment:

1. is occasional and short-lasting;

SELEZIONI E GESTIONE GIURIDICA

2. does not lead to a conflict of interest with the specific research activity carried out by the research fellow;

3. does not cause any damage to the image or the interests of the University.

Research fellows who wish to carry out, or continue to perform, a work activity consisting of services provided free of charge to volunteering associations or co-ops of a socio-assistance nature and not for profit, may do so provided that they fully perform their research duties.

The fellowships do not entitle their holders to access positions in Universities, in public research and experimentation bodies and institutions, in the Italian National Agency for New Technologies, Energy and Economic Development (ENEA) and in the Italian Space Agency (ASI), as well as in institutions whose scientific specialization degree has been recognized to be equivalent to the PhD title pursuant to article 74, paragraph four, of Italian Decree of the President of the Republic no. 382 dated 11th July 1980.

The research activity and the fellowship may be suspended for sick leaves lasting longer than 30 days over the course of one year, without prejudice to the fact that the duration of the fellowship cannot be reduced due to the aforementioned suspension. A period of justified absence of less than 30 days in one year does not represent a suspension and, consequently, does not have to be made up.

As from 2011, the following shall apply to the research fellowships: for taxation purposes, the provisions referred to in art. 4 of Italian Law no. 476 of 13th August 1984, as well as for social security purposes, the provisions referred to in art. 2, paragraphs 26 and following of Italian Law no. 335 of 8th August 1995, as subsequently amended and supplemented, on the subject of mandatory maternity leave, the provisions referred to in the Decree issued by the Italian Ministry of Labour and Social Security of 12th July 2007, published in no. 247 of 23rd October 2007 of the Italian Official Gazette, and, on the subject of sick leave, art. 1, paragraph 788, of Italian Law no. 296 of 27th December 2006 and subsequently amended. During the mandatory maternity leave, the indemnity paid by INPS (National Institute of Social Insurance) pursuant to article 5 of the aforementioned Decree of 12th July 2007 will be supplemented by the University up to the full amount of the fellowship.

The University shall arrange for accident and third-party liability insurance coverage in favour of the research fellows within the scope of performing their research.

At the end of the contract, the research fellow shall submit a report on all the activities carried out to the Department's Board.

In case of failure in delivering such report, the last instalment of the fellowship will not be paid.
