THE CHANCELLOR

HAVING CONSIDERED

- Ministerial Decree 8.2.2013, No. 45 "Regulations concerning accreditation modality of offices and PhD programs and the criteria for the establishment of doctorate programs on the side of qualified bodies";
- current University Regulations in matter of PhD, issued with rectoral Decree Rep. 333/2013 of 28.6.2013, and subsequent modifications and integrations;
- the Announcement of a public selection for admission to PhD programs administratively based at the Università degli studi di Bergamo, ROUND XXXVII, issued with rectoral Decree 398/2021 of 14.05.2021, in particular article 1 which provides that any additional places or scholarships will be announced by a subsequent decree which must be adopted within the deadline of this announcement.;
- the decision of the faculty of Linguistic Sciences of 4.06.2021 to assign the research topic to one of the three grants funded by the University of Pavia, following the request of the University of Pavia on 3.06.2021;

DECRETES

to assign the following topic to one of the three research grants funded by the University of Pavia for the PhD course in Linguistic Sciences:

Linguistic resources, corpora and automatic processing of language: the digitization and annotation of closed corpora of ancient languages and the creation of corpora of contemporary languages allows various forms of automatic or semi-automatic processing for language analysis.

Candidates who intend to compete for the scholarship linked to this research topic are required to indicate their interest during the interview.

In the event that a suitable profile for carrying out the research topic is not identified, the scholarship will be made available for the research topics that will be defined by the Academic Board for the individual doctoral students in the context of the individual training plan.
