Attachment A to Announcement PhD XXXVIII round

PhD in BUSINESS AND LAW

Coordinator: *Prof.ssa Mara Bergamaschi*

Scientific Area: 12 - Law studies

13 - Economics and statistics

Duration	Positions	Positions covered by scholarships	Positions with no scholarship
3 years	8	6	2

Scholarships:

- No. 6 financed by the University;

Positions without scholarship: no. 2

Prerequisites

- It is required a Master degree diploma (or equivalent diploma) which has been obtained within the last 5 years from the application date. The final dissertation mark should be 105/110 or above. For the students who are not graduated yet, the average exams mark should be 100/110 or above.
- International students are required to have a qualification equivalent to B2 for the Italian Language.
- International students who have graduated abroad, and who do not have the Supplement Diploma (this option is valid only for the students who have studied in the EU Universities), are required to submit a Declaration of Equivalence, which must be issued by the Italian diplomatic authority in the State where the degree was awarded.

Modality of selection

Assessment of qualifications and interview

Type of estimable qualifications

Qualification assessments (up to 60 marks):

- *curriculum studiorum:* up to 35 marks;
- research project: up to 10 marks;
- language certifications: up to 6 marks;
- II level masters consistent with the research content of the PhD course: up to 3 marks;
- up to 2 letters of reference from Italian or foreign academics: up to 6 marks;

Interview (up to 30 marks):

- knowledge of the English language: up to 5 marks;
- discussion of the research project (assessment of the candidate's capacity to convincingly discuss project preconditions and goals): up to 15 marks;
- relevance of demonstrated knowledge in the field of curricular subjects forming doctorate objectives: up to 10 marks.

Linguistic competence: knowledge of the English language. The knowledge of the Italian language shall be evaluated for foreign candidates.

UNIVERSITÀ
DEGLI STUDI
DI BERGAMO

Scuola
di alta formazione
dottorale

Interview date:

28 June at 09:30 hours (Italian time). The interview may be held partly in English language. The interview may take place by videoconference (skype) only by candidates resident or domiciled abroad (candidates admitted to the interview following the evaluation of their qualifications may make use of this possibility by sending an e-mail request to the address bando.dottorati@unibg.it).

PhD in ENGINEERING AND APPLIED SCIENCES

Coordinator: Prof.ssa Alessandra Marini

Scientific Area: 01 - Mathematics and informatics

03 - Chemistry

08 - Civil engineering and architecture

09 - Industrial and information engineering

13 - Economics and statistics

Curricula:

- Technologies for Energy and Environment
- Technologies for the conservation, protection, restoration and environmental sustainability
- Technologies for computer science, automation and electronics
- Applied mathematics and statistics

Duration	Positions	Positions covered by scholarships	Positions with no scholarship
3 years	10	8	2

Scholarships:

- No. 7 financed by the University;
- No. 1 financed by Dipartimento di Scienze Economiche for the following research topics: *"Hybrid statistical models for space-time data in the environmental field"*;
In the event that a suitable profile for carrying out the research topic is not identified, the scholarship will be withdrawn.

Positions without scholarship: no. 2

Modality of selection

Assessment of qualifications and interview

Type of estimable qualifications:

Qualification assessments (up to 60 marks):

- academic career: up to 30 marks;
- research project: up to 20 marks;
- other qualifications, publications, letters of reference from Italian or foreign academics: up to 10 marks.

Interview (up to 30 marks):

The interview entails the discussion of the research project presented by the candidate to the purpose of assessing his capacity to convincingly discuss project preconditions and goals. The interview will also aim at assessing the candidate's attitude towards scientific research and his explanatory mastery in dealing with doctorate topics.

Linguistic competence: English language; the knowledge of the Italian language shall be evaluated for foreign candidates.

Interview date:

12 July 2022 at 09:00 hours (Italian time) eventually continuing on 13 July, depending on the number of candidates participating to the interview. The interview may be held in the English language and may take place by videoconference. Candidates are required to communicate their email address at the time of application, to be contacted by the commission in the event of admission to the interview and in of its conduct in telematic mode.

PhD in HUMAN SCIENCES AND WELFARE INNOVATION

Coordinator: Professor Marco Lazzari

Scientific Area: 11 - History, philosophy, pedagogy and psychology
14 - Political and social sciences

Duration	Positions	Positions covered by scholarships	Positions with no scholarship
3 years	8	6	2

Scholarships:

- No. 6 financed by the University;

Positions without scholarship: No. 2

Modality of selection

Assessment of qualifications and interview

Type of estimable qualifications

Qualification assessments (up to 60 marks):

- up to maximum 26 marks for the assessment of the scientific and professional course (as shown in the curriculum vitae and any attachments);
- up to maximum 25 marks for a submitted research project;
- up to maximum 3 marks for the contents of any presentation letters submitted by the candidate;
- up to maximum 6 marks for other qualifications connected to contracts, scholarships and assignments served in national, foreign or international research institutions, duly certificated showing the activity's effective date and duration.

Interview (up to 30 marks):

- knowledge of the English language: up to 5 marks;
- discussion of the research project (assessing capacity by the candidate to convincingly discuss project preconditions and goals): up to 10 marks;
- project and own formative and working experiences in connection to the methodological and content dimensions of the listed cultural areas (up to 15 marks):
 - pedagogy and teaching
 - psychology

Linguistic competence: English language; the knowledge of the Italian language shall be evaluated for foreign candidates.

Interview date:

Tuesday 19 July 2022 at 10.00 am (Italian time), meeting room 7, Department of Human and Social Sciences (complex of Sant'Agostino),) eventually continuing on 20 July, depending on the number of candidates participating to the interview.

The interview can be held in English and may take place by videoconference. Candidates are required to communicate their email address at the time of application, to be contacted by the commission in the event of admission to the interview and in of its conduct in telematic mode.

PhD in LINGUISTIC SCIENCES

Coordinator: Prof.ssa Maria Grazia Cammarota

Scientific Area: 10 - Antiquities, philology, literary studies, art history

Curricula:

- General, typological and historical linguistics, philological traditions
- Applied and computational linguistics and linguistics of modern languages;
- Sociolinguistic and pragmatics

Duration	Positions	Positions covered by scholarships	Positions with no scholarship
3 years	9	9	0

Scholarships:

- No. 3 financed by the University;
- No. 3 financed by the Università degli Studi di Pavia;
- No. 2 financed by Department of Foreign languages, literatures and cultures within the project "Department of excellence" for the following research topic: "Digital Humanities and translation studies";
- No 1 financed by the Università degli Studi di Pavia for the following research topic: "Linguistic resources and natural language processing".

Contracted structures: University of Pavia

Modality of selection

Assessment of qualifications and interview

Type of estimable qualifications

Qualification assessments (up to 60 marks):

- Command of foreign languages (CEFR, at least B2 level or above) other than English. One of the following documents must be provided: a) a certificate not older than five years from the date of the publication of this call; b) documentation attesting to the attainment of a university degree or the attendance of courses in the relevant languages. Max. 6 points.
- Research project (max. 3.000 words + bibliography). The project can be written either in Italian or in English. It must be related to one of the core research areas of the PhD course: Language typology, Historical linguistics, Indo-European linguistics, Sociolinguistics, Applied Linguistics, Theoretical Linguistics, Corpus linguistics, Computational linguistics, Second language acquisition and teaching, Linguistics of modern languages, Textual criticism and Philologies of European traditions. The project must include: an introduction outlining the current state of knowledge on the topic chosen by the candidate; a description of the objectives of the research project, the method and sources to be used; a discussion of the expected results. Max. 50 points.
- Publications (if any): only publications not older than five years from the date of the publication of this call will be evaluated. Max. 4 points

Interview (up to 30 marks):

- The interview will focus on a discussion of the research project. It is meant to verify the candidate's ability to research. In case of admission to the PhD course, the submitted project is not a binding programme of research. The interview will also focus on the fundamental concepts of General Linguistics or of Philology or of Linguistics of modern languages, according to the project, in order to evaluate the aptitude of the candidate towards the main areas of the Course.

Linguistic competence: during the interview, candidates must demonstrate their knowledge of English. The main working language of the Phd course is Italian.

Interview date:

21 July 2022 at 10:00 hours (Italian time) eventually continuing on 22 July 2022 at 10:00 hours (Italian in time) depending on the number of candidates participating to the interview. The interview can be held in English and may take place by videoconference. Candidates are required to communicate their email address at the time of application, to be contacted by the commission in the event of admission to the interview and in of its conduct in telematic mode.
