HEREBY DECREES

Section 1

Announcement of the selection procedure

The public selection procedure, in compliance with the art. 14, para 6-terdecies of d.l. no. 36 of 30.04.2022, converted into law, with amendments, by art. 1, para 1, l. 29.06.2022, n. 79 for the covering of no. seven fixed-term researcher positions of the previous regulations 24, para 3, letter a) of Law 240/2010 and with current Athenaeum's Regulations at the University of Bergamo on that matter:

➤ **DEPARTMENT OF ENGINEERING AND APPLIED SCIENCES**

SELECTION CODE: 1

Positions: no. 1

Group of academic recruitment field: 09/E – Electrical and electronic engineering and measurements;

Academic recruitment field: 09/E2 – Electrical energy engineering;

Academic discipline: ING-IND/32 – Power electronic converters, electrical machines and drives.

Research program:

Power electronics converters, electrical machines and drives with high dynamic performance, high efficiency and power density. Analysis modelling, implementation and control of power electronics converters, electrical machines and drives with high dynamic performance, high efficiency and power density with research activities specifically focussed on their application in distributed generation from Renewable Energy Sources, electrical energy distribution networks, electrical systems for smart grids or transportation systems with electric propulsion.

Didactic activities provided for by the contract, including integrative and service didactics to students, and research activity characteristics:

The teaching activities envisaged by the contract, in addition to providing support for basic courses in the electrical area, will mainly take place in the context of the activation of the Master's Degree Study Plan in Smart Technology Engineering and Mechatronics and in particular in the field of Converters and electrical drives.

Commitment: full time

Service location: Dalmine

Maximum number of publications: 12

Oral examination to ascertain the knowledge of the language: English

➤ **DEPARTMENT OF MANAGEMENT**

SELECTION CODE: 2

Positions: no. 1

Group of academic recruitment field: 13/B – Business administration and management;

Academic recruitment field: 13/B1 – Business administration and accounting studies;

Academic discipline: SECS-P/07 – Business administration and accounting studies.

Research program:

The candidate must carry out research activities in the field of SECS-P07 disciplines, such as: the foundations of the "Economia aziendale ("Business Economics"), Accounting in its various forms (in particular Accounting principles and Management Control), Strategic management and politics, Socio-Ethical-Environmental Accountability, Accounting History and Public Accounting and Management. These issues require the candidate to have national and international publications and actively participate in the scientific debate on research issues, by attending national and international academic conferences, as well as by taking part of research groups. The candidate has to demonstrate its ability to apply research methodologies in line with those most widely adopted in high-profile national and international journal, also considering the strategic research objectives of the University and the DIPSA.

Didactic activities provided for by the contract, including integrative and service didactics to students, and research activity characteristics:

The total annual commitment for teaching activities, supplementary teaching and service to students amounts to 350 hours. The researcher is required to carry out the program of activities that will be annually defined by the Academic Senate and by the Department during the didactic planning.

The researcher will teach, also in English, in master's and three-year degree courses in the Department of Management, included in the sector 13 / B1 – Business Administration. The University and the Department of Management have for a long time started an intense path of internationalization of teaching, with mobility programs for permanent staff in foreign universities and with the development of joint programs with international partners; it is therefore necessary that the candidate is able to carry out teaching activities, as well as research, in English.

The researcher will also be asked to contribute to supplementary activities and services to students and activities related to the preparation of the final exam.

Commitment: full time

Service location: Bergamo

Maximum number of publications: 12

Oral examination to ascertain the knowledge of the language: English.

➤ **DEPARTMENT OF FOREIGN LANGUAGES, LITERATURE AND CULTURES**

SELECTION CODE: 3

Positions: no. 1

Group of academic recruitment field: 10/C – Cinema, music, performing arts, television and media studies;

Academic recruitment field: 10/C1 – Cinema, music, performing arts, television and media studies;

Academic discipline: L-ART/06 – Cinema, photography and television.

Research program:

The candidate will pursue his/her research activity within the relevant SSD's field of studies, with specific reference to visual culture and a focus on the digital context, that will be critically conceptualized as a hybrid field capable of crossing (also from an intercultural point of view) epistemologies and cultural imaginaries. The research program will be positioned within the larger context of digital humanities, understood not just as a set of techniques but rather as a meta-reflexive approach towards the possibilities and limits of the digital transition of knowledges, narratives, and memories. Taking into account methodologies and perspectives that are typical of visual culture studies, the candidate will approach issues such as: the social usages of images, the forms of cultural hegemony that are at stake in contemporary visuality and the forms of agency and 'resistance'

disclosed by the digital turn. The research will follow the indications of the Sustainable Development Goals (2015) and, according to the new attention towards innovation and digital transition in the context of the resilience strategic plans (PNRR, PNR 2021-2027), is intended to focus on key aspects of contemporary visuality (ranging from inclusive digital literacies to transmediality and the inescapable connections between visual cultures and politics). The candidate will be asked to commit to the internationalization of the research, also through the inclusion in national and international networks. The research should lead to the publication of several scientific contribution in relevant national (including class A) and international journals.

Didactic activities provided for by the contract, including integrative and service didactics to students, and research activity characteristics:

The total annual commitment of the performance of teaching activities, supplementary teaching and student services is 350 hours (full time). The researcher is required to carry out the program of activities that will be defined annually by the relevant academic structures. The researcher will pursue his/her teaching activities in the relevant modules of the SSD L-ART/06 in the BA in Lingue e letteratura straniere moderne and in the upcoming MA LM-43. The researcher will also be asked to contribute to the activities related to the preparation of the dissertation for the achievement of Bachelor and Master degrees programs. The researcher may eventually carry out organizational tasks within the Department and its courses of study or the PhD School.

Commitment: full time

Service location: Bergamo

Maximum number of publications: 12

Oral examination to ascertain the knowledge of the language: English.

➤ **DEPARTMENT OF LETTERS, PHILOSOPHY, COMMUNICATION**

SELECTION CODE: 4

Positions: no. 1

Group of academic recruitment field: 11/A- History;

Academic recruitment field: 11/A4 - Sciences of books and documents, history of religions;

Academic discipline: M-STO/09 - Paleography.

Research program:

The researcher will have to carry out research activities in the broader context of paleography, diplomatics and codicology, in dialogue with the other disciplines of the macro-sector. The candidate will have to carry out his/her scientific activities in synergy and in dialogue with the research lines of the Department. The candidate will be asked to commit to the internationalization of the research, also through the elaboration of European competitive projects, and the inclusion in national and international networks. The research should lead to the publication of several scientific contributions in relevant national (including class A) and international journals and to the dissemination of research results through national and international conferences.

Didactic activities provided for by the contract, including integrative and service didactics to students, and research activity characteristics:

The candidate's teaching activity will be carried out as a part of the courses of both the bachelor's degree and master's degree of the Department of Humanities, Philosophy, Communication of the University of Bergamo.

The candidate is also required to carry out integrative activities of didactic support in the courses of study, related to the evaluation of the tests and the preparation of the dissertation for both the bachelor's degree and the master's degree.

Commitment: full time

Service location: Bergamo

Maximum number of publications: 12

Oral examination to ascertain the knowledge of the language: French or English.

➤ **DEPARTMENT OF ENGINEERING AND APPLIED SCIENCES**

SELECTION CODE: 5

Positions: no. 1

Group of academic recruitment field: 09/E – Electrical and electronic engineering and measurements;

Academic recruitment field: 09/E3 – Electronics;

Academic discipline: ING-INF/01 – Electronic engineering;

Research program:

The research program will focus on the development of low-noise analog integrated circuits for the readout of ionizing radiation detectors. The main research objectives are relevant to front-end electronics for silicon sensors in view of applications to imaging at advanced X-ray sources (FEL, synchrotrons) and to particle detection in high-energy physics and astroparticle physics experiments. The integrated circuits developed in this program will be tested, with a complete experimental study of their response to detector signals, of their signal-to-noise ratio and of their behavior under irradiation. This research program requires an advanced knowledge of the theory and techniques for the processing of signals from capacitive sources, of the use of aggressively scaled microelectronic technologies in the design of low-noise analog circuits, of the mechanisms for the degradation of noise performance after the exposure to high doses of ionizing radiation. Moreover, the program requires the knowledge of the experimental techniques and of the instrumentation for the measurement of noise in microelectronic devices and circuits.

Didactic activities provided for by the contract, including integrative and service didactics to students, and research activity characteristics:

The teaching tasks will be relevant to basic and advanced courses belonging to the ING-INF/01-Electronics sector, specifically in the fields of electronic instrumentation, of sensors and of the design of analog electronic circuits, in the frame of several Bachelor's and Master Degree programs managed by the School of Engineering. The researcher will be in charge of a 6 CFU course and will have to teach for 90 hours/year.

Commitment: full time

Service location: Dalmine

Maximum number of publications: 12

Oral examination to ascertain the knowledge of the language: English.

➤ **DEPARTMENT OF LAW**

SELECTION CODE: 6

Positions: no. 1

Group of academic recruitment field: 12/D- Administrative and Tax Law;

Academic recruitment field: 12/D1 – Administrative Law;

Academic discipline: IUS/10 – Administrative Law.

Research program:

The research is aimed at studying the discipline regarding public contracts and services, also in the light of recent regulatory and jurisprudential developments. With regard to issues relating to public contracts, the various forms of contracts, concessions and public-private partnership institutions must be considered the subject of research, focusing in particular on the most topical aspects, also in terms of judicial protection. With regard to the part on public services, attention should focus on the methods of assignment allowed by the current system, as well as on the discipline on the subject of public companies.

Didactic activities provided for by the contract, including integrative and service didactics to students, and research activity characteristics:

The overall annual commitment for carrying out teaching activities, supplementary teaching and student service is 350 hours. The researcher is required to fulfil the program of activities defined on a

yearly base by the Academic Senate and the Department in compliance with the rules and procedures of the University of Bergamo concerning teaching duties. The researcher will carry out his/her teaching activity in the context of the courses pertinent to SSD IUS/10 activated in the University. Finally, the potential candidate is expected to be involved in mentoring and supervising students at the undergraduate and graduate levels for the preparation of their bachelor, master or doctorate dissertation. The candidate is also expected to be involved in the Department organizational duties and in the organization of the Department's courses.

Commitment: full time

Service location: Bergamo

Maximum number of publications: 12

Oral examination to ascertain the knowledge of the language: English.

SELECTION CODE: 7

Positions: no. 1

Group of academic recruitment field: 12/G – Criminal law and criminal procedure;

Academic recruitment field: 12/G1 – Criminal law;

Academic discipline: IUS/17 – Criminal law.

Research program:

The researcher will be asked to develop research on criminal law, especially with regards to theory of crime and punishment, criminal business law, European criminal law.

Didactic activities provided for by the contract, including integrative and service didactics to students, and research activity characteristics:

In line with the full-time regime provided for the position of Researcher B by the Regulation on teaching obligations of university professors and researchers, the yearly overall obligation - including teaching hours, supplementary teaching activities and students' hours - is 350 hours. Teaching activities will regard courses related to the above-mentioned scientific sector (IUS/17 Criminal Law) offered by the Università degli studi di Bergamo. In addition, the researcher will be asked to contribute to tutorials, Master and PhD thesis' supervision as well as to be engaged in organizational duties related to Department activities and/or related to undergraduate and/or graduate courses.

Commitment: full time

Service location: Bergamo

Maximum number of publications: 12

Oral examination to ascertain the knowledge of the language: English.

Section 2

Requirements for attending the selection

The following candidates, including citizens of Countries outside the European Union, are admitted to the selection procedure:

- those holding a research PHD (or equivalent) achieved either in Italy or abroad.

For qualifications obtained abroad, a declaration of equivalence is required in accordance with current legislation on the subject. The candidate who is not already in possession of the certificate of equivalence of the PhD obtained abroad, must proceed according to the following indications:

1. Request the "Attestation of Comparability" from CIMEA (Academic Equivalence Mobility Information Center), by registering on the Centre's website through the following link: <https://cimea.diplo-me.eu/cimea/#/auth/login>. The application form must necessarily be accompanied by a certificate of successful submission of this application;
2. apply to the University of Bergamo for the equalization of the training course and the release of the final parchment through the instructions published at the following link: <https://www.unibg.it/ricerca/lavorare-ricerca/dottorati-ricerca/iscrivarsi-dottorato>

The University of Bergamo can recognize a PhD degree just in case of relevance to the ones already achieved at the University of Bergamo. For the other PhD degrees offered by Italian Universities, refer to the link: <https://www.universitaly.it/index.php/public/cercaOffPL>.

During the pending completion of the aforementioned procedure, the candidate is admitted to the selection with reserve. If the candidate turns out to be the winner at the outcome of the competition, he will be invited to present himself for the conclusion of the contract as soon as the qualification evaluation procedure has been successfully completed.

- Those who enjoyed:
 - a) triennial contracts as per para 3 letter a) of s. 24 of Law 240/2010; or rather,
 - b) who achieved national scientific qualification for the second or the first professorship level as per s. 16 of Law 240/2010; or rather,
 - c) contracts stipulated in accordance with s. 1 para 14 of Law 230/2005 for at least three years; or rather,
 - d) Research grants, for at least three years - albeit not consecutive - as per s. 51, para 6, of Law 27 December 1997, no. 449, or research grants as per s. of Law 240/2010, or postdoctoral fellowships as per s. 4 of Law 30 November 1989, no. 398, as well as other comparable contracts, grants or fellowships in foreign athenaeums.For admission to the selection procedures, research fellowship specified in Article 22 of Law no. 240/2010 are equivalent to those granted under the previous legislation referred to in Article 51, paragraph 6, of the law 27.12.1997 n. 449.

If the candidates intend to assert contracts, grants or scholarships gained at foreign universities as access requirement for their participation in the procedure, they are required to attach copies of documents certifying these activities in order to transmit them to the CUN for the opinion on the correspondence with the Italian positions by Ministerial Decree 662/2016 as amended and supplemented.

Contract duration as per s. 1 para 14 of Law no. 230 of 2005 may be cumulated to activity periods carried out under research grants (as per s. 51, para 6 or Law no. 449/1197 or as per s. 22 Law 240/2010) or under postdoctoral fellowships as per s. 4 of Law 30.11.1989, no. 398 as well as in the case of comparable contracts, grants or fellowships in foreign athenaeums.

The following subjects will not be admitted to the selection procedure:

- subjects previously hired long-term as first or second level professors or researchers, even if no longer in service;
- those who are excluded from enjoying civil and political rights;
- those who were removed or discharged from office by any Public Body for insufficient yield, or were dismissed from any other public engagement, in accordance with s. 127 para d) of D.P.R. 10.1.1957, no. 3;
- candidates having any relationship or kinship, up to and including three times removed relatives, either with a professor belonging to the Department issuing the call or with the Chancellor, the General Director and any member of the Board of Directors at the Athenaeum.
- those who were contracted as research fellow or fixed-term researcher as per ss. 22 and 24 of Law 240/2010 at the University of Bergamo or other Italian public, private or online Athenaeums, as well as any other Body indicated in para 1 of s. 22 of Law 240/2010 for a length of time which, if summed to the duration of the contract in the announcement, exceeds 12 years in total, albeit not consecutive; periods of time spent on maternity or sick leaves do not count to the purpose of the duration of the aforementioned relationships, in accordance with current Laws.

The requirements needed to obtain admission must be owned up to the deadline of the application submission period.

This Administration guarantees parity and equal opportunities to both men and women for access and treatment on the job.

Section 3 Comparative evaluation disqualification

The following reasons cause disqualification:

- failure to sign the application form;
- deficiency of admission requirements as per s. 2;
- failure to meet the deadline and procedures for submitting the application (including attachments and publications) as mentioned under the following Art. 4.
- sending a number of publications higher than the requested number.

The candidates may be admitted subject to verification in case of supplementary investigation requirements; in this case, they are asked to regularize their application within the terms peremptorily assigned.

The Administration may decide, at any moment, the exclusion of candidates lacking one of the requirements needed for this announcement; the exclusion will be declared by chancellor decree and delivered to the person concerned by registered mail with return receipt or equivalent.

Section 4 Application procedure and submission deadline

Under penalty of exclusion applications for participation in the competition, along with the relevant qualifications held and the relevant scientific publications, shall be submitted online through the following online application procedure:

<https://pica.cineca.it/unibg/>

The candidate will be able to register and access the platform using the Public Digital Identity System (SPID - security level 2). In case the candidate does not have one, he or she can request it according to the procedure indicated on the website www.spid.gov.it. Alternatively, the candidate can register and log in using the credentials released directly by the PICA platform.

It is of utmost importance to provide a valid email address in order to enable the registration process on the electronic procedure.

Applicants shall upload all personal and professional data as requested by the application procedure; all documents must be uploaded in PDF format (.pdf). Each applicant can produce a maximum of no. 30 publications and a maximum of no. 10 other documents.

Failure to comply with the online application procedure will result in exclusion of the applicant.

Prior to final submission, and within the given deadline for applications submission, the online application procedure allows to modify and save the inserted information in a draft copy.

Confirmation of final submission date will be certified by an automatic notification email.

Submissions after the given deadlines will not be accepted by the system, as the online application procedure won't be accessible.

Each application will be given a registration number. For all further communications, the registration number shall be quoted along with the code of the competition.

The online application and submission procedure shall be completed **by the 9TH Of December 2022 until 12:00 (Italian time).**

The submission of the online application must be completed and finalized:

The University Administration assumes no responsibility in case the addressee is unreachable or unavailable or in case of dispersion of notices caused by inaccurate indication of the mailing address on the candidate side or on cases of missed or late notice of changes in the mailing address mentioned in the application. Furthermore, the Administration cannot be held responsible for missed or late deliveries of notices related to the selection on grounds that are not attributable to the Administration itself, such as post or telegraph mishandlings, third-party faulty behaviour, fortuitous or force majeure events.

The Administration reserves the right to proceed with suitable checks on the veracity of the contents shown in sworn declarations, as ruled by D.P.R. 445/2000.

We inform you that, as of 1st January 2012 in accordance with the dispositions of Law 183/2011, it is forbidden for public bodies and for public service overseers to request the exhibition or the submission of certificates issued by other public bodies in matters of personal status, features and facts. Therefore, the Athenaeum may not accept, nor request, any certificate in replacement of sworn declarations and affidavits, which must be submitted in substitution of such certificates.

The certificates issued by the bodies in charge of the foreign applicant's Country must be compliant with current regulations of that Country and, also, must be sworn before and certified by the Italian consulate in charge.

A translation into Italian must be attached to acts and documentation that are issued in foreign languages, after certification by an Italian diplomatic or consular delegation.

Making reference to documents or publications previously surrendered to this or to other administrations or making reference to any documentation attached to applications for other selections is not allowed.

Section 6

Publications

The scientific publications that the candidate wishes to enforce to the purposes of the comparative procedure, numbered in progressive order in accordance with the related list (cf. annex A), must be uploaded on IT platform with the application within the peremptory deadline fixed by s. 4.

The list must match the publications supplied to the purposes of the procedure.

Only publications and texts that are accepted for publication in accordance with current Laws are considered appreciable, as well as essays included in collectanea and articles issued in journals, either printed or in electronic form, with the exception of internal notes and departmental reports.

The publications or articles accepted for publication, by the deadline of the announcement, must be submitted together with the publisher's acceptance document.

The date and place of publication or, alternatively, an ISBN code or equivalent must appear for works printed abroad.

All works printed in Italy up to 1st September 2006 must meet the requirements provided by the Royal Lieutenant Legislative Decree of 31 August 1945 no. 660; as of 2nd September 2006 the requirements of Law 106/2006 and of D.P.R. 252/2006 must be met. The fulfilling of the above obligations must be certified by suitable documentation attached to the list of publications or by a sworn declaration issued by the candidate under his own responsibility as ruled by D.P.R. no. 445/2000.

Publications must be submitted in their original language form and translated into one of the following languages: Italian, English, French, German or Spanish. The translated texts can be supplied in typewritten form along with the printed text in the original language. For comparative evaluation procedures referring to linguistic subjects, the submission of publications will be accepted in the original language or in one of the languages for which the announcement is made, even if different from those shown in the preceding paragraph.

Section 7 Commission of Evaluation

By chancellor decree, based on the proposal submitted by the department requesting contract activation, a Commission of Evaluation is nominated formed by three members chosen among I and II level professors, or equivalent level, belonging to the same academic recruitment field. For the composition and the modalities of the constitution of the Commission, is to refer to the current University Regulations on the subject.

The composition of the Commission is made official when published on the website of the Athenaeum of the chancellor decree designating the Commission. Candidates may elect to decline any of the commissioners within 10 days from the date of publication.

The Commission elects a President and a Secretary among its Members.

The Commissions operates in a collegial way, acquiring its own absolute majority decisions, and may avail itself of telecommunication devices.

Section 8 Selective procedure processing method

The selective procedure provides for a preliminary evaluation of the candidates, with motivated analytical judgement on qualification, curriculum and scientific production, thereby including PHD thesis, according to internationally appreciated criteria and parameters, as specified by D.M no. 243 of 25.05.2011 and accepted by the judging Commission as per its s. 7.

The Commission, upon first meeting, defines in detail the criteria to be used for preliminary evaluations and for the attribution of scores to qualifications and to each of the publications presented by the candidates that are selected for public debate, still considering and honouring the parameters mentioned by the cited D.M. no. 243 of 25.05.2011.

Following preliminary evaluations, the candidates resulting comparatively worthier are admitted to public debate of their qualification and scientific production, according to the percentage of 20 per cent of the total number of candidates and, in any case, not lower than six. Should the total number of candidates be equal to or lower than six, all of these will be admitted to public debate, during which the knowledge of a foreign language will also be assessed.

After the debate, a merit score is assigned to the qualification and to each of the publications presented by each admitted candidate; the winner will be identified based on the highest score reached.

The date and place of the public debate of qualifications and scientific production will be communicated through a notice published on the website of the University of Bergamo <http://www.unibg.it>, in the special section "Concorsi e selezioni" (Announcements and Selections) with advance notice of at least 20 days.

It is the responsibility of each candidate to monitor the site periodically by consulting the page of the notices related to this selection.

In order to withstand the debate, the candidates must hold a suitable and valid identification document.

The absence in the discussion must be considered as a waiver of competition for all purposes.

The Commission will produce and all its members will sign a special minute for each session, inclusive of attachments.

The Commission's deeds constituted by session reports, will be approved by chancellor decree, later transmitted to the competent department to the purpose of the call proposal.

Section 9 Works of the Commission

The Commission must complete its works within three months since the Chancellor's decree of appointment. The Chancellor may extend, only once and for not more than one month, the deadline for the completion of the selection on the grounds of proven reasons pointed out by the President of the Commission. If, after the deadline, the resulting deeds are not produced, the Chancellor will proceed to dismiss the Commission and will nominate a new one in replacement.

Section 10 Verification of deed regularity

The acts surrendered by the Commission are approved with chancellor decree usually within thirty days from delivery to the office in charge.

Should the Chancellor observe any irregularity in the deeds related to the procedure, he will return them to the Commission with a motivated provision, fixing a deadline for supplementary investigation.

The deeds, that is the final recapitulatory report of the works and the collegial judgements, will be published on the Athenaeum's website.

Section 11 Call of the selected candidate

Once the procedure is complete, the Department Council proposes the selected candidate's call within 60 days from deed approval.

The Department's proposal resolution is adopted according to the methods described in s. 12, paras 2 and 3 of Athenaeum Regulations, ruling comparative evaluation procedures for the call of fixed-term researchers in compliance with the provisions of s. 24 of Law 240/2010.

Section 12 Scope and duration of the contract

The winner stipulates a fixed-term contract of employment ruled by current legislation, also in terms of compensation, social security and welfare.

As regards foreign applicants needing a residence permit, the date of beginning of the contract will be subject to the completion of the issuing procedure of said permit.

In the event of admission subject to verifying the applicant identified as the winner by the Commission, an investigation aimed at ascertaining the existence of the qualification declared in order to participate in the selection must be concluded before the signing of the contract.

Furthermore, the University will provide insurance coverage as expressly provided for by the Law.

The compensation is equal to the initial sums appertaining to full-time confirmed researchers (gross yearly salary of Euro € 36.839,79, including 13th month pay).

The contract has a triennial duration and is not renewable.

The social security and pension scheme is granted to the researcher on the basis of current legislation for fixed-term employment; he is granted whatever provided for by D.Lgs no. 151/2001 in matter of tutelage and assistance to maternity and paternity; in matter of assistance, social integration and rights of disabled people by the Law 104/1992; in matter of extraordinary leave of absence and

infirmity leaves as per ss. 3, 40 and 68 of D.P.R. no. 3/57 as modified. Infirmity leaves may not exceed a time length of 12 months.

A 6-months probation period is applied; the deliberating collegial body of the pertinent structure is competent for its positive or negative evaluation; the probation period cannot be renewed or extended upon expiry.

During the probation period, each party may terminate the contract giving reasons at any moment and without commitment to any advance notice.

In case of early contract termination, the researcher is required to give a 30 days advance notice. The redundancy period may start on the first or the 16th day of each month. In case no advance notice is given, the Administration has the right to withhold an amount corresponding to the employee's compensation for such lacking period.

Section 13 **Work relationship**

To the purpose of research projects cost-reporting, the representational quantification of yearly research activities, studies and education, including preparatory, verification and organization tasks, equals to 1500 hours for full-time researchers. The total yearly commitment for the implementation of educational activities, integrative didactics and service to students amounts to 350 hours for full-time contracts.

The fixed-term researcher:

- carries out a scientific research activity within the field identified by his profile;
- carries out didactical activities, honouring current legislation and Athenaeum Regulations, in accordance with the resolutions of competent Bodies;
- takes part to Commissions for the verification of students' advancement and final test for the achievement of educational qualifications released by the University, also providing aid in the development of theses;
- carries out student tutoring and guidance tasks to the purpose of organize the plan of studies, establishing a reception calendar;
- may assume responsibility functions in research projects according to and in respect of current Laws;
- takes part to Departmental activities and to didactic Commission meetings based on the modalities disciplined by specific Regulations.

The self-certification of educational activity, integrative didactics and services to students occurs by filling out the register of lessons (for upfront educational activities) and any other register (for all other activities related to didactics).

Disciplinary competence is ruled by s. 10 of Law 240/2010 and from s. 32 of the Statute.

The researcher is required to observe the provisions of the University regulations in force as regards the research integrity and ethics.

Section 14 **Incompatibility regime and multiple assignments**

In addition to the incompatibility regime pursuant to art. 6, paragraph 9 of Law 240/2010, Fixed-term researcher contracts are not compatible with:

- any other employment entertained with any public or private subject;
- ownership of research grants, even if at other Universities;
- ownership of didactic contracts disciplined on the matter by current legislation;
- doctoral or postdoctoral fellowships;
- any fellowship or grant, in general, bestowed on any grounds.

Researchers are allowed to carry out extra-work assignments, subject to authorization requests to be filed with Chancellor, as per Athenaeum Regulations provisions in terms of releasing authorizations for the bestowal of paid assignments to professors and researchers.

Employees of Public Administrations, over the entire duration period of the contract pertaining to this announcement, are put on leave, without grants nor social security coverage or, otherwise, in untenured position, where such position is considered possible by membership regulations.

Section 15

Evaluation to the purpose of associate professor placements

In range of available programming resources, during the third contract year, as per s. 24, para 3, letter b) of Law 30.12.2010, no. 240, the University will evaluate the researcher who achieved national scientific qualification as per s. 16 of Law 240/2010, to the purpose of calling him to a role of associate professorship, as provided by s. 18, para 1, letter e) of the aforementioned Law. Should the evaluation have a positive outcome, the owner of the contract, upon expiry of the latter, will be assigned an associate professor role.

The evaluation of didactical and research activities carried out by contract owners is based on the criteria and parameters set out by D.M. no. 344 of 4.8.2011.

The proposal to a call for an associate professorship is deliberated by the Council of Department and subduced to the approval of the Board of Administrators, subject to favourable opinion of the Academic Senate.
