Integration to Attachment A of the Announcement of a public selection for admission to PhD programs administratively based at the Università degli studi di Bergamo ROUND XXXIX

THE CHANCELLOR

HAVING CONSIDERED

- Ministerial Decree 14.12.2021, No. 226 "Regulations concerning accreditation modality of offices and PhD programs and the criteria for the establishment of doctorate programs on the side of qualified bodies";
- current University Regulations in matter of PhD, issued with Chancellor Decree Rep. 500/2022 of 1.06.2022;
- the Announcement of a public selection for admission to PhD programs administratively based at the Università degli studi di Bergamo, ROUND XXXIX, issued with Chancellor Decree 343/2023 of 16.05.2023, in particular section 1 which provides:
 - o any changes and/or additions to the announcement will be advertised on the online page <https://www.unibg.it/node/15198> of the Università degli studi di Bergamo website;
 - o any additional places or scholarships, upon acquisition of the necessary funding by external Bodies and signing of the relative agreement, will be announced by a subsequent decree which must be adopted within the deadline of this announcement;
- with reference to the scholarship funded under DM 118/2023 for research topics related to Cultural Heritage reported in Annex A of the PhD Course in Philological and Linguistic Studies on oral and written records the affiliated Institution turns out to be the Archivio di Stato di Bergamo and not the Sovrintendenza ai Beni Archivistici e Bibliotecari della Regione Lombardia;
- by communication dated 05/30/2023 the Coordinator of the Doctoral Course in Philological and Linguistic Studies on oral and written records requested to integrate the access requirements indicated in Annex A by inserting the additional master's degree class LM 84 - Scienze storiche;
- by letter of intent prot. no. 93629/III/13 dated 06/01/2023, IMAA/CNR communicated its willingness to fund a scholarship for attendance at the PhD program in Engineering and Applied Sciences, tied to the pursuit of the following topic: "Statistical modeling of climate change in the upper troposphere/low stratosphere (UTLS) using reference measurements."
- the deadline for the above-mentioned call for applications is 06/14/2023;

DECRETES

to integrate Attachment A for the Doctoral Program in Philological and Linguistic Studies on oral and written records and the Doctoral Program in Engineering and Applied Sciences, as resulting in the attachment.

Applicants wishing to compete for the IMAA/CNR-funded restricted fellowship from the topic "Statistical modeling of climate change in the upper troposphere/low stratosphere (UTLS) using reference measurements" are required to indicate their interest during the interview.

Bergamo, as per registration in the protocol
