Therefore, the Athenaeum may not accept, nor request, any certificate in replacement of sworn declarations and affidavits, which must be submitted in substitution of such certificates (sample forms are available in Annexes C and D of this announcement).

The certificates issued by the bodies in charge of the foreign applicant's Country must be compliant with current regulations of that Country and, also, must be sworn before and certified by the Italian consulate in charge.

A translation into Italian must be attached to acts and documentation that are issued in foreign languages, after certification by an Italian diplomatic or consular delegation.

Referring to documents or publications previously surrendered to this or to other administrations or referring to any documentation attached to applications for other selections is not allowed.

Section 6 Publications

The scientific publications that the candidate wishes to enforce to the purposes of the comparative procedure, numbered in progressive order in accordance with the related list (cf. annex A), must be uploaded on IT platform with the application within the peremptory deadline fixed by s. 4.

The list must match the publications supplied to the purposes of the procedure.

Only publications and texts that are accepted for publication in accordance with current Laws are considered appreciable, as well as essays included in collectanea and articles issued in journals, either printed or in electronic form, with the exception of internal notes and departmental reports.

The publications or articles accepted for publication, by the deadline of the announcement, must be submitted together with the publisher's acceptance document.

The date and place of publication or, alternatively, an ISBN code or equivalent must appear for works printed abroad.

All works printed in Italy up to 1st September 2006 must meet the requirements provided by the Royal Lieutenant Legislative Decree of 31 August 1945 no. 660; as of 2nd September 2006 the requirements of Law 106/2006 and of D.P.R. 252/2006 must be met. The fulfilling of the above obligations must be certified by suitable documentation attached to the list of publications or by a sworn declaration issued by the candidate under his own responsibility as ruled by D.P.R. no. 445/2000.

Publications must be submitted in their original language form and translated into one of the following languages: Italian, English, French, German or Spanish. The translated texts can be supplied in typewritten form along with the printed text in the original language. For comparative evaluation

procedures referring to linguistic subjects, the submission of publications will be accepted in the original language or in one of the languages for which the announcement is made, even if different from those shown in the preceding paragraph

Section 7

Commission of Evaluation

For each selective procedure, by chancellor decree, based on the proposal submitted by the department requesting contract activation, a Commission of Evaluation is nominated formed by three members chosen among I and II level professors, or equivalent level, belonging to the same academic recruitment field. For the composition and the modalities of the constitution of the Commission, is to refer to the current University Regulations on the subject.

The composition of the Commission is made official when published on the website of the Athenaeum of the chancellor decree designating the Commission. Candidates may elect to decline any of the commissioners within 10 days from the date of publication.

The Commission elects a President and a Secretary among its Members.

The Commissions operates in a collegial way, acquiring its own absolute majority decisions, and may avail itself of telecommunication devices.

Section 8

Selective procedure processing method

The Commission, upon its first assembly, after each member about declares the lack of incompatibility causes for his nomination and the lack of any conflicts of interest thereabout, foreordains the evaluation criteria for each *curriculum vitae*, scientific publications and research and teaching activities.

Such criteria shall have to be established in respect of internationally renowned quality standards, taking into account the guidelines established by D.M. 4.8.2011, no. 344 as well as any teaching and scientific qualification elements required by the Department and considered to be necessary for covering the position.

The adopted criteria will be rendered public by publishing them on the website's special section "*Concorsi e selezioni*" (Announcements and contests); after that, the Commission may proceed with its work.

The Commission states a motivated judgement on the *curriculum vitae*, on the scientific publications and on the teaching and research activity of each candidate; should there be a multiplicity of candidates, the evaluation procedure shall be executed with modalities that guarantee their comparison.

The Commission, at the end of their work, formulates a merit ranking and indicates the winner following the decision reached by the majority of the members, by selecting the best-qualified candidate qualified for the teaching and the scientific functions recalled by the announcement.

Section 9

Works of the Commission

The Commission completes its works within three months since the Chancellor's decree of appointment.

The Chancellor may extend, only once and for not more than one month, the deadline for the completion of the selection on the grounds of proven reasons pointed out by the President of the Commission.

If, after the deadline, the resulting acts are not produced, the Chancellor will proceed to dismiss the Commission and will nominate a new one in replacement.

Section 10

Verification of act regularity

The acts surrendered by the Commission are approved with Chancellor's decree within thirty days from delivery to the office in charge.

Should the Chancellor observe any irregularity in the acts relating to the procedure, he will return them to the Commission with a motivated provision, fixing a deadline for supplementary investigation. The deeds will be published on the Athenaeum's website.
