## HEREBY DECREES

### Section 1

#### Announcement of the selection procedure

The public selection procedure is announced at the University of Bergamo for the covering of no. 6 fixed-term researcher positions in accordance with art. 24, para 3, letter a), of Law 240/2010, in the previous text to the amendments referred to in art. 14 of D.L. 36/2022, and with current Athenaeum's Regulations on that matter:

#### ➤ **DEPARTMENT OF LETTERS, PHILOSOPHY, COMMUNICATION**

##### **SELECTION CODE: 1**

**Positions:** no. 1

**Academic discipline group:** 10/PEMM-01 – Performing Arts, Music, Film and Media

**Academic discipline:** PEMM-01/B – Cinema, Photography, Radio, Television and Digital Media

##### **Research program:**

The research activity will focus on topics related to the scientific-disciplinary field of film, photography, radio, television, and digital media studies, with particular emphasis on the social history of audiovisual media, which explores their cultural significance and circulation dynamics; production studies, which highlight their industrial and economic aspects; the archival approach, which addresses the challenges of preserving audiovisual heritage and the strategies for its enhancement; and the aesthetic perspective, which studies the forms, languages, and perceptual and emotional experiences related to audiovisual media.

##### **Didactic activities provided for by the contract, including integrative and service didactics to students, and research activity characteristics:**

The researcher will carry out teaching activities, including courses, course modules, and workshops in Department's undergraduate and graduate degree programs. These activities will be related to the scientific-disciplinary field, with a particular focus on the history and the aesthetics of cinema and television, as well as the preservation and enhancement of audiovisual heritage. Additionally, the researcher is expected to participate in supplementary teaching activities, student support services, internship tutoring, and guidance for the preparation of the final thesis within the scientific-disciplinary field.

**Commitment:** full time

**Service location:** Bergamo

**Maximum number of publications:** 12

**Oral examination to ascertain the knowledge of the language:** english

#### ➤ **DEPARTMENT OF FOREIGN LANGUAGES, LITERATURE AND CULTURES**

##### **SELECTION CODE: 2**

**Positions:** no. 1

**Academic discipline group:** 13/ECON-07 - Management

**Academic discipline:** ECON-07/A - Management

**Research program:**

The research activity falls within business economics and management, focusing on studies related to creative industries, with particular attention to those connected to tourism. The aim is to identify business and network models that can strengthen the synergies between tourism and creative industries, fostering sustainable development for businesses and the territories in which they operate while quantifying the products, services, and experiences offered considering major global challenges.

The research involves:

(a) A literature review in the aforementioned fields, exploring the business-level mechanisms, and territorial processes capable of leveraging the interplay between tourism practices and cultural-creative heritage. The objective is to preliminarily build a theoretical framework and develop initial research hypotheses to validate through collaboration with researchers from national and international research centres during the subsequent empirical phase.

(b) The development of a research methodology based on which quantitative and qualitative investigations will be conducted and applied to case studies from a trans-scalar perspective spanning Lombardy, national, and European contexts. These investigations will test the validity of the research hypotheses formulated in the previous phase.

The research will lead to identifying competitive success factors and innovation drivers, modelling business and territorial systems/processes related to tourism and creative industries, and drafting relevant policy recommendations. It will be closely linked to and support initiatives within the Department of Foreign Languages, Literatures, and Cultures for territorial co-planning in tourism, in synergy with the multiscale institutional and entrepreneurial ecosystem characterizing it.

The research findings will be disseminated through the publication of articles in scientific journals and through participation in and organization of national and international seminars and conferences.

**Didactic activities provided for by the contract, including integrative and service didactics to students, and research activity characteristics:**

The teaching activity for Assistant Professor (non-tenure track) in bachelor and master degree courses is limited to 60 hours. The remaining hours are for supplementary teaching, other teaching activities, student services, and internal organizational tasks. The Department of Foreign Languages, Literatures and Cultures define the above-mentioned activities during the activity planning process.

**Commitment:** full time

**Service location:** Bergamo

**Maximum number of publications:** 12

**Oral examination to ascertain the knowledge of the language:** english

➤ **DEPARTMENT OF FOREIGN LANGUAGES, LITERATURE AND CULTURES**

**SELECTION CODE: 3**

**Positions:** no. 1

**Academic discipline group:** 10/GERM-01 - Germanic Philology, Languages, Literatures and Cultures

**Academic discipline:** GERM-01/A - Germanic Philology and Linguistics

**Research program:**

The research activity will be developed according to the thematic areas provided by the academic discipline, with a comparative perspective and the use of updated philological methodologies. From a geo-chronological point of view, the research will focus on the study of the textual production of the Northern Germanic tradition, investigating the forms of assimilation of Latin culture and the connections with the traditions of the Western Germanic branch, with particular attention to the

interrelation with the continental literary systems of the courtly age. All textual phases will be explored, from the historical-cultural circumstances of manuscript production in scriptoria to the modes of reception by audiences. Therefore, expertise in historical linguistics, source criticism, palaeography, and codicology are required. The research activity, which must be closely integrated with other related fields of study within the Department, will also address issues related to the processes of rewriting and refunctionalization of the linguistic and cultural heritage in new communicative contexts, both past and present, in alignment with the thematic lines outlined in the Strategic Plan of the Department. To this end, expertise in studies on translation phenomena, intermediality, transmediality, and other forms of textual regeneration is required. The research results will be disseminated through the publication of articles in Italian and international scientific journals, in volumes, and through participation in and organization of national and international seminars and conferences.

**Didactic activities provided for by the contract, including integrative and service didactics to students, and research activity characteristics:**

The teaching activity for Assistant Professor (non-tenure track) in bachelor and master degree courses is limited to 60 hours. ➤ **DEPARTMENT OF MANAGEMENT, INFORMATION AND PRODUCTION ENGINEERING**

**SELECTION CODE: 4**

**Positions:** no. 1

**Academic discipline group:** 01/MATH-06 – Operations Research

**Academic discipline:** MATH-06/A – Operations Research

**Research program:**

The research activity will focus on the research areas of the scientific disciplinary sector "MATH-06/A – Operations Research", with particular emphasis on the study of optimization models and algorithms for decision-making under uncertainty and data science, with applications in the energy sector.

**Didactic activities provided for by the contract, including integrative and service didactics to students, and research activity characteristics:**

The candidate will teach both basic and advanced courses in Operations Research, Optimization, and related topics in line with the scientific-disciplinary sector "MATH-06/A – Operations Research." The teaching activity will be carried out within the bachelor's and master's degree programs, as annually defined by the Department of Management, Information and Production Engineering (DIGIP) and the School of Engineering, in compliance with the rules and procedures of the University of Bergamo regarding teaching obligations. Additionally, the candidate will be expected to contribute to supplementary teaching activities and the preparation of the final examination for the attainment of bachelor's and master's degrees.

**SELECTION CODE: 5**

**Positions:** no. 1

**Academic discipline group:** 09/IIND-05 – Industrial Mechanical Plants

**Academic discipline:** IIND-05/A – Industrial Mechanical Plants

**Research program:**

The researcher will engage in activities within the field of green production, with a particular focus on the study of sustainable production models applied to key industrial sectors that drive the development of Made in Italy. These include, but are not limited to, automated industrial plants, textiles and fashion, and furniture manufacturing. The project will examine the application of circular economy strategies within manufacturing, aiming to identify best practices and operational challenges in the implementation of low-environmental-impact production processes. In this context, innovative solutions will be developed to enhance resource efficiency and minimise waste (lean manufacturing) while promoting the closure of production cycles through the exchange of materials, energy, and by-products among companies (industrial symbiosis). To this end, the research will involve the development of analytical and decision-support models to evaluate the effectiveness of circular practices, integrating Life Cycle Assessment (LCA) methodologies with material and energy flow modelling tools. Furthermore, the study will include the validation of proposed strategies in real-world industrial settings, with the overarching goal of facilitating the transition towards more sustainable and efficient manufacturing processes. The candidate is required to master qualitative and quantitative methodological approaches.

**Didactic activities provided for by the contract, including integrative and service didactics to students, and research activity characteristics:**

The researcher will carry out teaching activity in the field of IIND-05/A - IMPIANTI INDUSTRIALI MECCANICI courses of the School of Engineering in compliance with current legislation and the University Regulations, according to the decisions of the competent bodies.

**Commitment:** full time

**Service location:** Dalmine

The research activity will be carried out with reference to the topics of sector CEAR-04/A, in accordance with the relevant declaratory and with particular reference to remote sensing, digital photogrammetry and the processing of aerial and satellite images of any spectral band, as well as the specific activities, methodological, applicative and experimental, typical of the scientific disciplinary field.

**Didactic activities provided for by the contract, including integrative and service didactics to students, and research activity characteristics:**

The researcher will carry out frontal teaching or supplementary teaching and student service activities up to a maximum of 60 hours per year within the courses activated into the disciplinary scientific field Geomatics.

**Commitment:** full time

**Service location:** Dalmine

**Maximum number of publications: 12**

**Oral examination to ascertain the knowledge of the language: english**

## **Section 2**

### **Requirements for attending the selection**

The following candidates, including citizens of Countries outside the European Union, are admitted to the selection procedure:

- those holding a research PHD (or equivalent) achieved either in Italy or abroad.

For qualifications obtained abroad it necessary to provide a copy of the declaration of equivalence (statement of equipollence decree), in accordance with current legislation on the subject. The candidate who is not already in possession of the declaration of equivalence of the PhD obtained abroad can apply to the University of Bergamo for the equalization of the training course and the release of the final parchment through the instructions published at the following link: <https://www.unibg.it/internazionale/destinazione-unibg/riconoscimento-dottorati-ricerca-conseguiti-allestero>.

The University of Bergamo can recognize a PhD degree just in case of relevance to the ones already active at the University of Bergamo or, otherwise, the candidate will be entitled to choose the location for the other PhD degrees offered by Italian universities.

The application for participation must necessarily be accompanied by a certificate of submission of this application. During the pending completion of the aforementioned procedure, the candidate is admitted to the selection with reserve. It will be the candidate's responsibility to subsequently verify the qualification by requesting the "Attestation of Comparability" from CIMEA (Academic Equivalence Mobility Information Centre), by registering on the Centre's website.

If the candidate turns out to be the winner at the outcome of the competition, he will be invited to present the declaration of equivalence within the terms established by the law before the conclusion of the contract (cfr Art. 11).

The following candidates will not be admitted to the selection procedure:

- those who have previously been hired on a long-term as first or second level professors or researchers, even if no longer in service;
- those who are excluded from enjoying civil and political rights;
- those who were removed or discharged from office by any Public Body for insufficient yield, or were dismissed from any other public engagement, in accordance with s. 127 para d) of D.P.R. 10.1.1957, no. 3;
- candidates having any relationship or kinship, up to and including three times removed relatives, either with a professor belonging to the Department issuing the call or with the Chancellor, the General Director and any member of the Board of Directors at the Athenaeum.
- those who were contracted as research fellow or fixed-term researcher as per ss. 22 and 24 of Law 240/2010 at the University of Bergamo or other Italian public, private or online Athenaeums, as well as any other Body indicated in para 1 of s. 22 of Law 240/2010 for a length of time which, if summed to the duration of the contract in the announcement, exceeds 12 years in total, albeit not consecutive; periods of time spent on maternity or sick leaves do not count to the purpose of the duration of the aforementioned relationships, in accordance with current Laws.

The requirements needed to obtain admission must be owned up to the deadline of the application submission period.

This Administration guarantees parity and equal opportunities to both men and women for access and treatment on the job.

## **Section 3**

### **Comparative evaluation disqualification**

The following reasons cause disqualification:

- failure to sign the application form;
- lack of admission requirements referred to in s. 2;
- failure to meet the deadline and procedures for submitting the application as mentioned under the following section no. 4;
- sending a number of publications higher than the requested number.

The candidates may be admitted subject to verification in case of supplementary investigation requirements; in this case, they are asked to regularize their application within the terms peremptorily assigned.

The Administration may decide, at any moment, the exclusion of candidates lacking one of the requirements needed for this announcement; the exclusion will be declared by chancellor decree and delivered to the person concerned by registered mail with return receipt or equivalent.

#### Section 4

##### Application procedure and submission deadline

**Applications for participation in the competition, along with the relevant qualifications held and the relevant scientific publications, shall be submitted exclusively online** through the following online application procedure:

<https://pica.cineca.it/unibg/>

The candidate will be able to register and access the platform using the Public Digital Identity System (SPID - security level 2). In case the candidate does not have one, he or she can request it according to the procedure indicated on the website [www.spid.gov.it](http://www.spid.gov.it). Alternatively, the candidate can register and log in using the credentials released directly by the PICA platform.

It is of utmost importance to provide a valid email address in order to enable the registration process on the electronic procedure.

Applicants shall upload all personal and professional data as requested by the application procedure; all documents must be uploaded in PDF format (.pdf).

Each applicant can produce the maximum number of publications foreseen by the competition notice and a maximum of n. 10 other documents.

**Failure to comply with the online application procedure will result in exclusion of the applicant.**

Prior to final submission, and within the given deadline for applications submission, the online application procedure allows to modify and save the inserted information in a draft copy.

Confirmation of final submission date will be certified by an automatic notification email.

**Submissions after the given deadlines will not be accepted by the system, as the online application procedure won't be accessible.**

Each application will be given a registration number. For all further communications, the registration number shall be quoted along with the code of the competition.

The online application and submission procedure shall be completed **by June 12, 2025 until 23:59 (Italian time).**

The submission of the online application must be completed and finalized:

- **no digital signature:** in this case the candidate has to download the pdf file of the application by the system; the PDF file shall not be modified in any way, it is to be printed, signed in original, scanned in a pdf file and uploaded again on the website;
- **sign the application on the server using ConFirma service:** in order to sign digitally the application, it is necessary to have a hardware (e.g. smart card or USB with digital signature certificate issued by an approved certification body) compatible with ConFirma service; after signing, applicants can download the signed pdf application;
- **sign the application digitally on your PC:** In order to sign digitally the application, it is necessary to have a hardware (e.g. smart card or USB with digital signature certificate issued by an approved certification body) and a software for digital signatures in order to create a pdf.p7m file from the pdf file downloaded from this site. The pdf.p7m file must be uploaded in the website again;
- **In case of submission of the application through SPID,** it will not be necessary to sign the application form as it is automatically acquired by the procedure.

**The application must contain all the required data by the system and must be signed and accompanied by a valid identification document of the candidate, under penalty of exclusion.**

For any technical problems, contact support through the link available in the footer.

The following must be attached to the application form:

1. photocopy of a valid identification document;
2. *curriculum vitae* describing educational and scientific activity, dated and signed;
3. numbered list, dated and signed, of all produced scientific publications (Annex A);
4. publications and works that the candidate wishes to assert to the purpose of the procedure, numbered in progressive order matching the relating numbered list;
5. In case of qualifications earned abroad, the candidate must provide the reference to the equipollence decree or, otherwise, the certificate of submission of the application (cf. Section 2);
6. in the event of foreign applicant, it is necessary to annex: a copy of the residence permit (if the applicant is already in its possession);

The University Administration assumes no responsibility in case the addressee is unreachable or unavailable or in case of dispersion of notices caused by inaccurate indication of the mailing address on the candidate side or on cases of missed or late notice of changes in the mailing address mentioned

in the application. Furthermore, the Administration cannot be held responsible for missed or late deliveries of notices related to the selection on grounds that are not attributable to the Administration itself, such as post or telegraph mishandlings, third-party faulty behaviour, fortuitous or force majeure events.

The Administration reserves the right to proceed with suitable checks on the veracity of the contents shown in sworn declarations, as ruled by D.P.R. 445/2000.

We inform you that, as of 1<sup>st</sup> January 2012 in accordance with the dispositions of Law 183/2011, it is forbidden for public bodies and for public service overseers to request the exhibition or the submission of certificates issued by other public bodies in matters of personal status, features and facts. Therefore, the Athenaeum may not accept, nor request, any certificate in replacement of sworn declarations and affidavits, which must be submitted in substitution of such certificates.

The certificates issued by the bodies in charge of the foreign applicant's Country must be compliant with current regulations of that Country and, also, must be sworn before and certified by the Italian consulate in charge.

A translation into Italian must be attached to acts and documentation that are issued in foreign languages, after certification by an Italian diplomatic or consular delegation.

Reference to documents or publications previously submitted to this or other administrations or reference to any documentation submitted to another applications for other public competition is not allowed.

## **Section 6 Publications**

The scientific publications that the candidate wishes to enforce to the purposes of the comparative procedure, numbered in progressive order in accordance with the related list (cf. annex A), must be uploaded on IT platform with the application within the peremptory deadline fixed by s. 4. The candidate must specify which publications shown in the curriculum vitae should be considered by the Commission for the purposes of the procedure, not exceeding the maximum number established by the announcement.

The list must match the publications supplied to the purposes of the procedure.

Only publications and texts that are accepted for publication in accordance with current Laws are considered appreciable, as well as essays included in collectanea and articles issued in journals, either printed or in electronic form, with the exception of internal notes and departmental reports.

The publications or articles accepted for publication, by the deadline of the announcement, must be submitted together with the publisher's acceptance document.

The date and place of publication or, alternatively, an ISBN code or equivalent must appear for works printed abroad.

All works printed in Italy up to 1<sup>st</sup> of September 2006 must meet the requirements provided by the Royal Lieutenant Legislative Decree of 31<sup>st</sup> of August 1945 no. 660; from the 2nd of September 2006 the requirements of Law 106/2006 and of D.P.R. 252/2006 must be met. The fulfilling of the above obligations must be certified by suitable documentation attached to the list of publications or by a sworn declaration issued by the candidate under his own responsibility as ruled by D.P.R. no. 445/2000.

Publications must be submitted in their original language form and translated into one of the following languages: Italian, English, French, German or Spanish. The translated texts can be supplied in typewritten form along with the printed text in the original language. For comparative evaluation procedures referring to linguistic subjects, the submission of publications will be accepted in the original language or in one of the languages for which the announcement is made, even if different from those shown in the preceding paragraph.

## **Section 7 Commission of Evaluation**

By chancellor decree, based on the proposal submitted by the department requesting contract activation, a Commission of Evaluation is nominated formed by three members chosen among I and II level professors, or equivalent level, belonging to the same academic recruitment field. For the composition and the modalities of the constitution of the Commission, is to refer to the current University Regulations on the subject.

The composition of the Commission is made official when published on the website of the Athenaeum of the chancellor decree designating the Commission. Candidates may elect to decline any of the commissioners within 10 days from the date of publication.

The Commission elects a President and a Secretary among its Members.

The Commission operates in a collegial way, acquiring its own absolute majority decisions, and may avail itself of telecommunication devices.

## Section 8

### Selective procedure processing method

The selective procedure provides for a preliminary evaluation of the candidates, with motivated analytical judgement on qualification, curriculum and scientific production, thereby including PHD thesis, according to internationally appreciated criteria and parameters, as specified by D.M no. 243 of 25.05.2011 and accepted by the judging Commission as per its s. 7.

The Commission, upon first meeting, defines in detail the criteria to be used for preliminary evaluations and for the attribution of scores to qualifications and to each of the publications presented by the candidates that are selected for public debate, still considering and honouring the parameters mentioned by the cited D.M. no. 243 of 25.05.2011.

Following preliminary evaluations, the candidates resulting comparatively worthier are admitted to public debate of their qualification and scientific production, according to the percentage of 20 per cent of the total number of candidates and, in any case, not lower than six. Should the total number of candidates be equal to or lower than six, all of these will be admitted to public debate, during which the knowledge of a foreign language will also be assessed.

After the debate, a merit score is assigned to the qualification and to each of the publications presented by each admitted candidate; the winner will be identified based on the highest score reached.

**The date and place of the public debate of qualifications and scientific production will be communicated through a notice published on the website of the University of Bergamo <http://www.unibg.it>, in the special section "Concorsi e selezioni" (Announcements and Selections) with advance notice of at least 20 days.**

It is the responsibility of each candidate to monitor the site periodically by consulting the page of the notices related to this selection.

In order to withstand the debate, the candidates must hold a suitable and valid identification document.

The absence in the discussion must be considered as a waiver of competition for all purposes.

The Commission will produce and all its members will sign a special minute for each session, inclusive of attachments.

The Commission's deeds constituted by session reports, will be approved by chancellor decree, later transmitted to the competent department to the purpose of the call proposal.

## Section 9

### Works of the Commission

The Commission must complete its works within three months since the Chancellor's decree of appointment. The Chancellor may extend, only once and for not more than one month, the deadline for the completion of the selection on the grounds of proven reasons pointed out by the President of the Commission. If, after the deadline, the resulting deeds are not produced, the Chancellor will proceed to dismiss the Commission and will nominate a new one in replacement.

## Section 10

### Verification of deed regularity

The acts surrendered by the Commission are approved with chancellor decree within thirty days from delivery to the office in charge.

Should the Chancellor observe any irregularity in the deeds related to the procedure, he will return them to the Commission with a motivated provision, fixing a deadline for supplementary investigation.

The deeds will be published on the Athenaeum's website.

## Section 11

### Call of the selected candidate

Once the procedure is complete, the Department Council proposes the selected candidate's call within 60 days from deed approval.

The Department's proposal resolution is adopted according to the methods described in s. 12, paras 2 and 3 of Athenaeum Regulations, ruling comparative evaluation procedures for the call of fixed-term researchers in compliance with the provisions of s. 24 of Law 240/2010, in the previous text to the amendments referred to in art. 14 of D.L. 30/04/2022 no. 36.
