Section 7
Commission of Evaluation

For each selective procedure, by chancellor decree, based on the proposal submitted by the department requesting contract activation, a Commission of Evaluation is nominated formed by three members chosen among I and II level professors, or equivalent level, belonging to the same academic recruitment field. For the composition and the modalities of the constitution of the Commission, is to refer to the current University Regulations on the subject.
The composition of the Commission is made official when published on the website of the Athenaeum of the chancellor decree designating the Commission. Candidates may elect to decline any of the commissioners within 10 days from the date of publication.
The Commission elects a President and a Secretary among its Members.
The Commissions operates in a collegial way, acquiring its own absolute majority decisions, and may avail itself of telecommunication devices.

Section 8
Selective procedure processing method

The Commission, upon its first assembly, after each member about declares the lack of incompatibility causes for his nomination and the lack of any conflicts of interest thereabout, foreordains the evaluation criteria for each *curriculum vitae*, scientific publications and research and teaching activities.
Such criteria shall have to be established in respect of internationally renowned quality standards, taking into account the guidelines established by D.M. 4.8.2011, no. 344 as well as any teaching and scientific qualification elements required by the Department and considered to be necessary for covering the position.
The adopted criteria will be rendered public by publishing them on the website's special section "*Concorsi e selezioni*" (Announcements and contests); after that, the Commission may proceed with its work.
The Commission states a motivated judgement on the *curriculum vitae*, on the scientific publications and on the teaching and research activity of each candidate; should there be a multiplicity of candidates, the evaluation procedure shall be executed with modalities that guarantee their comparison.

The Commission, at the end of their work, formulates a merit ranking and indicates the winner following the decision reached by the majority of the members, by selecting the best-qualified candidate qualified for the teaching and the scientific functions recalled by the announcement.

Section 9
Works of the Commission

The Commission completes its works within three months since the Chancellor's decree of appointment.
The Chancellor may extend, only once and for not more than one month, the deadline for the completion of the selection on the grounds of proven reasons pointed out by the President of the Commission.
If, after the deadline, the resulting acts are not produced, the Chancellor will proceed to dismiss the Commission and will nominate a new one in replacement.

Section 10
Verification of act regularity

The acts surrendered by the Commission are approved with Chancellor's decree within thirty days from delivery to the office in charge.
Should the Chancellor observe any irregularity in the acts relating to the procedure, he will return them to the Commission with a motivated provision, fixing a deadline for supplementary investigation.
The Chancellor decree approving the documents is published on the University's website in the relevant 'Competitions and Selection Processes' section, and on the Official Notice Board of the University of Bergamo. The time limit for lodging any appeals begins on the date of publication of this decree on the University's Official Notice Board.

Section 11
Call of the selected candidate

Once the procedure is complete, the Department Council proposes the selected candidate's call within 60 days from act approval.
The Department's proposal resolution is adopted according to the methods described in s. 12, paras 2, 3 and 4 of Athenaeum Regulations, ruling procedures for the call of I and II level professors in compliance with the provisions of Law 240/2010.
The documentation required for hiring must be signed with a digital signature certificate held personally by the winner.

Section 12
Statutory rights, duties, compensation and welfare treatment

The statutory rights and duties of the professor are those provided by current law in terms of teaching staff legal status, and those contained in the current Ethic Code.
The professor is required to observe the provisions of the University regulations in force as regards the research integrity and ethics.
Compensation and welfare treatment are the ones owed to first level professors as provided by the laws regulating this subject.

Section 16
Reporting violations that harm the public interest or the integrity of the University

In application of the provisions of Legislative Decree 24/2023 (regarding the protection of persons who report violations of European Union law and national regulatory provisions), persons participating (or acting on behalf of those who participate) in selection procedures or pre-contractual stages may report to the University's Prevention of Corruption and Transparency Officer (RPCT) conduct that harm the public interest or the integrity of the Administration. The aforementioned whistleblowers and the institutions they own, or which they work for, are guaranteed the protection measures set forth in Chapter III of Legislative Decree 24/2023. Whistleblowers are also guaranteed special protection of the confidentiality of their personal identity, provided that the reports are submitted through the dedicated channels set up by the Administration, i.e. through the operating system that can be reached at the following web address: https://unibg.whistleblowing.it/#/ . Alternatively, through the voice mailbox reachable at the following phone number: 035.205.2160. More information in this regard is available on the institutional website of the University, in the Transparent Administration section, subsection Other content/Prevention of Corruption/Whistleblowing.

Section 17
Final provisions

Anything not explicitly provided by this announcement is ruled by Law 240/2010 as amended and supplemented and by University Regulations, in relation to procedure disciplines for calls of I and II level professors, as provided by the above-mentioned Law or by any other norm on the subject.
