- in the section concerning the PhD program in Management Accounting and Finance, under "Additional admission requirements", the following requirement was incorrectly stated:
  "Having obtained or being in the process of obtaining the last Master's Degree (or equivalent academic degree) within the 5 years prior to the date of the call for applications, with a Bachelor's Degree grade not less than 99/110. For undergraduates, the curricular average must not be less than 96/110."
